

RURAL FUNDING DIGEST

December 2019

A monthly bulletin facilitated by your membership of the Rural Services Network highlighting a selection of current funding opportunities

Climate Action Fund – National Lottery Community Fund

The Climate Action Fund aims to reduce the carbon footprint of communities. A broader movement of change will enable communities to do this within and beyond the communities they fund. This Fund is now open for an initial round of funding applications. In this initial round, they will support up to 15 place-based community-led partnerships to make the changes in their community they believe will have the biggest impact on climate change.

Funding expectations:

- The amount of funding available per application will depend on what each partnership needs at this stage: Applicants who need more time to develop their partnership, engage widely or test their approaches can access initial development funding (up to £200,000 over 18 months); Applicants who might be able to start longer-term plans at an earlier stage can access larger, longer-term awards (up to £2.5m over five years)
- Successful applicants will have experience in implementing meaningful action on climate change
- They expect to fund a mix of different places, communities, themes and initiatives, across the UK
- They will use learning from the first round of funding to help shape what happens next and we will test and learn throughout the programme. Further rounds of funding will be available at a later stage.

The deadline for submitting initial proposals is 18 December 2019.

RDPE Growth Programme – Defra & the Rural Payments Agency

The Rural Development Programme for England (RDPE) Growth Programme has reopened to support projects that invest in building businesses, creating new jobs and growing the economy in rural areas of England.

You could be eligible for a Growth Programme grant if your business is carrying out a project to create jobs or bring more money into the rural economy.

There are 3 types of grant:

- Business development
- Food processing
- Rural tourism infrastructure

The deadline for expressions of interest is 20 February 2020.

Community Gardens Award – National Open Garden Scheme

National Garden Scheme Community Gardens Award provides funding to amateur gardeners from community groups in England and Wales to create a garden or similar project (such as an allotment) with horticultural focus for the benefit of their local community.

These projects should aim to bring a community together by being a space people can share, by the acquisition and sharing of gardening knowledge and skills and by inspiring a love of gardening.

All applications are considered on their individual merits by a panel made up of the supervisor, a trustee and a vice-president. No fixed amount is set but awards do not usually exceed £5,000. Funding could cover, for example, site preparation (including hire of small mechanical tools such as rotavators), hand tools, plants, trees, shrubs, containers and seating.

Toyota Parasport Fund – Sport England

Sport England have partnered with Toyota and the British Paralympic Association to create this new opportunity.

Sport England are committed to ensuring that everyone can take part in sport and physical activity and are working with disabled people to make sure that they have access to a range of quality opportunities to realise the many benefits that come from being physically active.

Up to £200,000 will be available in each year of the fund, with awards of between £1,000 and £5,000 to help ensure that when disabled people are active, they have access to quality equipment to help give them the best possible experience.

This is the first in a series of funding rounds focusing on different areas that they know impact the quality of experience – this round is looking at equipment.

The window for applications is now open and closes on 20 December 2019.

Further rounds in 2020/21 will focus on other areas.

Please be aware that they may close the application window early if demand for funding is significantly above the funding available.

Early Years Opportunities and Later Life Inclusion Grants – Masonic Charitable Foundation

The Foundation's grant-making programmes for charities target funding where it is most needed. Current target areas include:

- Creating the best start in life for disadvantaged children and young people
- Reducing isolation in later life

Charities with incomes of under £500,000 can apply for a grant of between £500 and £15,000 over 1-3 years.

Charities with incomes of over £500,000 can seek a large grant for up to 3 years. Grants are between £10,000 and £80,000 however the average grant ranges from £20,000 to £60,000. Large grants must be used to fund a specific project.

The next deadline for small grant applications is 3 January 2020 and for large grant applications 17 February 2020.

Pocket Parks – Ministry of Housing, Communities & Local Government

Community-led organisations working in partnership with local authorities and other local partners are invited to apply for grants, from a £1.35 million fund, to establish new pocket parks in their communities creating safe and usable green spaces and for helping to restore and renovate existing parks which have fallen into disrepair, bringing them back into public use.

Grants of up to £15,000 are available for new pocket parks and up to £25,000 for the renovation of existing pocket parks.

The definition of a pocket park is “a piece of land of up to 0.4 hectares (although many are around 0.02 hectares, the size of a tennis court) which may already be under grass, but which is unused, undeveloped or derelict”.

The deadline for applications is 13 December 2019.

2019 Cold Weather Fund – Homeless Link

The Ministry of Housing Communities and Local Government are providing up to £1million of the Cold Weather Fund to Homeless link to administer funding to charitable organisations that are not commissioned by local authorities. The project’s overall aim is to financially support local providers in helping people sleeping rough off the streets this winter. Grants must be for one or both of two purposes:

1. To provide additional accommodation to rough sleepers during the period 1st December 2019 to 31st March 2020. By additional they mean additional to what is already being commissioned by the local authority. This can be either shelter beds or other accommodation.
2. To enhance the support provided in or complementary to existing commissioned shelter beds to reduce the level of returns to the street for people sleeping rough accommodated in shelters and to help secure long-term move-on from shelters.

You can apply for up to £25,000, although larger grants of up to £50,000 may be considered for projects working across multiple authorities.

The deadline for applications is 6 December 2019.

Comic Relief Community Fund (England) – Groundwork UK

The Comic Relief Community Fund (England) is offering grants to grassroots community organisations with an income of less than £250,000.

There are two types of grants available to organisations whose work delivers on one of Comic Relief’s four strategic themes:

- **Children Survive & Thrive:** projects that support children under the age of 5 to reach their potential and have the best start in life.
- **Fighting for Gender Justice:** projects that improve equality for women, girls and the LBTQI+ community and initiatives that help people affected by domestic violence, abuse or exploitation due to their gender.
- **A Safe Place to Be:** projects that support people who are rebuilding their lives because of homelessness or forced migration.
- **Mental Health Matters:** projects that support good mental health in communities, improve access to support and tackle stigma and discrimination.

Funding is available to help you develop your organisation through a Capacity Building Grant (up to £500) or to deliver projects through a Project Delivery Grant (up to £4000). Administration of the local funding is being managed by community charity, Groundwork, which specialises in transforming communities and the local environment for the better.

This is a rolling programme and applications can be made at any time.

Small Grants Programme – Road Safety Trust

The main aim of the Small Grants Programme is to improve road safety at a local level.

They are looking for measurable interventions that link to local priorities and show a proposed link to reducing casualties either directly or through clear interim measures. Eligible projects are pilots/trials, expanding successful trials across a new area, and/or the evaluation of interventions. Projects should have the potential for being brought to scale - with the ultimate goal of reducing deaths and injuries both locally and across the UK.

The maximum project length under this grant programme is 24 months. The minimum amount that can be applied for is £10,000 and the maximum is £30,000 over two years in total. All projects should have other sources of funding, either cash or in-kind.

The total amount currently available under this funding round is £120,000 and they expect requests for funding to exceed the amount available. In making decisions, they will take a strategic approach so that a range of different types of project are funded that have the potential to improve road safety outcomes. Local Authorities, Police Forces, Fire and Rescue Services or UK-based registered charities, not-for-profit social enterprises or community interest companies can apply.

The deadline for applications is 20 December 2019.

Veterans' Foundation grants

Many armed forces charities struggle to raise sufficient funding to support serving and former members of the British Armed Forces' and sometimes their dependants who are in need. The Veterans' Foundation has been created to establish a new and nationwide source of funding to help these charities. It acquires its funds through the Veterans' Lottery and donations.

The trustees of the Veterans' Foundation will disburse funds to Armed Forces charities and charitable activities.

They will support projects that:

- Reduce homelessness
- Increase employment
- Provide welfare and medical support
- Increase confidence and social integration
- Reduce dependence on drugs and alcohol
- Support other charitable activities that may be needed

You can apply for grants of any sum up to a maximum of £30K. Trustees will also consider a bid for a spread grant, i.e. £30K as £10K for each of the next three years. Please note that the trustees are likely to award more small grants than large grants. They will consider a range of factors including the service or item being applied for, the number of beneficiaries, the importance of the grant to the applicant charity and the needs of the beneficiaries.

Grant schemes for electric vehicle charging infrastructure – Office for Low Emission Vehicles

The government offers grants to support the wider use of electric and hybrid vehicles via the Office of Low Emission Vehicles (OLEV). This includes:

- The Electric Vehicle Homecharge Scheme (EVHS) provides grant funding of up to 75% towards the cost of installing electric vehicle chargepoints at domestic properties across the UK.

- The Workplace Charging Scheme (WCS) is a voucher-based scheme that provides support towards the up-front costs of the purchase and installation of electric vehicle charge-points, for eligible businesses, charities and public sector organisations.
- The On-street Residential Chargepoint Scheme (ORCS) provides grant funding for local authorities towards the cost of installing on-street residential chargepoints for plug-in electric vehicles.

Transforming Food Production (Industrial Strategy Challenge Fund) – Innovate UK

Businesses can apply for a share of up to £20 million to support ambitious projects developing new and more efficient ways to produce the UK's food. The competition is seeking projects either developing new and efficient low-emission food production systems or addressing technological and other bottlenecks holding back state-of-the-art systems from supplying consumers.

Areas of work could include indoor growing systems, aquaculture, and new food sources such as insects and fermentation-based systems.

Projects could range in size from £1 million to £10 million and the competition is open until 22 January 2020.

Safer Streets Fund – Home Office

A new £25 million fund to tackle burglary, theft and other offences in crime hotspots has been announced by the Home Office.

Police and Crime Commissioners (PCCs) across England and Wales will be able to bid for Safer Streets Fund investment for measures aimed at preventing acquisitive crime in disproportionately affected areas.

Initiatives could target vehicle theft, robbery or burglary, among other crimes, and could include interventions to improve home security, such as installing better locks and gating alleyways, and make streets better lit at night.

The fund has been designed to ensure local communities can participate in the development of crime prevention plans and will also include money for community projects that complement them.

It will also target areas disproportionately affected by these crimes.

PCCs must work with local authorities and other partners to develop these plans, which need to be based on evidence, demonstrate value for money and engage local communities.

Funding will be available to areas from April 2020.

Rural Community Energy Fund – Department for Environment, Food and Rural Affairs and the Department for Business, Energy & Industrial Strategy

The Rural Community Energy Fund (RCEF) is a £10 million programme which supports rural communities in England to develop renewable energy projects, which provide economic and social benefits to the community.

RCEF provides support to rural communities in 2 stages:

- stage 1: grants of up to £40,000 for a feasibility study for a renewable energy project

- stage 2: grants of up to £100,000 for business development and planning of feasible schemes

RCEF is being run by 5 regional Local Energy Hubs. If you would like to register your interest for the scheme, or would like further information, please contact the relevant hub for your area.

Transforming Places through Heritage Grants – Architectural Heritage Fund

This programme supports projects that will contribute to the transformation of high streets and town centres in England helping them become thriving places, strengthening local communities and encouraging local economies to prosper. It is part of a wider initiative to revive heritage high streets in England, alongside Historic England's High Street Heritage Action Zones.

This programme is for individual heritage buildings in, or transferring to, community ownership. They will support charities and social enterprises to develop projects with the potential to bring new life to high streets by creating alternative uses for redundant or underused historic buildings in town centres.

A range of grants are available:

- Project Viability Grants: up to £15,000, for early viability and feasibility work, open now for applications.
- Project Development Grants: up to £100,000, for capital project development costs, open now for applications.
- Crowdfunding Challenge Grants: up to £25,000, to match fund crowdfunding campaigns, open now for applications.
- Transformational Project Grants: up to £350,000, for transformational capital projects. The deadline for applications was 30th September 2019. A second round is due to be announced in 2020.
- Community Shares Booster Grants: further info to be announced.

Places to Ride Programme – British Cycling

The Places to Ride programme will fund the development of new or the improvement of existing cycling facilities in communities across England.

The programme has been made possible through a new £15million commitment from Government and will be delivered over the next three years through a partnership of British Cycling, Sport England and the Department for Culture Media and Sport (DCMS).

The aims of the programme are as follows:

- Encourage more people from a range of different backgrounds regardless of gender, age, ability or ethnicity to engage with cycling in all its forms. We want to provide more opportunities for people to enjoy riding in an accessible and inclusive environment; focusing especially on provision that responds to the needs of women and girls and people with a disability.

- Invest in opportunities that connect local communities and address barriers to engaging with cycling. Recognise the wider benefits of riding a bike to enable societal benefits such as community cohesion, reducing social isolation and promoting health and well-being through prevention.
- Ensure the delivery of a lasting legacy of active environments that provide high quality and affordable opportunities to engage with cycling now, that will continue to be deliverable in the future.

Applications can be made at any time and the closing date is 15 January 2021.

More than a Pub: The Community Pub Business Support Programme – Plunkett Foundation

Want to take ownership of your local pub and run it for the benefit of the community? Need help getting it into community hands?

The More than a Pub programme provides business development support to enable the community ownership of pubs in both rural and urban communities across England. Funded by Power to Change and delivered by Plunkett Foundation, the second round of the programme builds upon the success of the first, which saw over 450 enquiries received from communities across England and saw 28 pubs open under community ownership. Support and funding is available to the community pub sector until September 2020.

Cornerstone, Gateway & Foundation Grants – National Churches Trust

The National Churches Trust has three grant programmes currently open:

- Cornerstone grants. The Cornerstone Grant Programme offers grants of between £10,000 and £50,000 towards the cost of urgent structural repair projects costed at more than £100,000 including VAT. The Trust will also consider projects that introduce kitchens and accessible toilets to enable increased community use, costed at more than £30,000 including VAT. Grants will never exceed 50% of the project cost. The next deadline for applications is 2 March 2020.
- Gateway grants. The Gateway Grant Programme offers grants of between £3,000 and £10,000 towards project development and investigative work up to RIBA planning stage 1, to support churches preparing for a major project, and in developing their project to the point at which they can approach a major grant funder. Grants will never exceed 50% of the project costs for this phase. The next deadlines will be 9 January 2020 and 14 May 2020.
- Foundation grants. The Foundation Grant Programme will offer grants of between £500 and £3,000 towards urgent maintenance works and small repairs identified as high priority within a recent Quinquennial Inspection or Survey Report. Also, small investigative works and surveys. Project costs should not exceed £10,000. This programme re-opens in December.

Gigabit Broadband Voucher Scheme – Department for Digital, Culture, Media & Sport

Full fibre broadband connections offer the fastest and most reliable speeds available and, as part of the government commitment to a vision of a full fibre Britain, in March 2018 they announced the £67m Gigabit Broadband Voucher Scheme.

Gigabit vouchers can be used by small businesses and the local communities surrounding them to contribute to the installation cost of a gigabit-capable connection. Businesses can claim up to £2,500 against the cost of connection either individually or

as part of a group project. Residents can benefit from the scheme with a voucher worth £500 as part of a group project.

From May 2019, premises in the harder-to-reach places in the UK may be eligible for additional funding.

As part of the Government's Rural Gigabit Connectivity programme business and residents in some of the hardest-to-reach places in the UK are eligible for additional funding towards the cost of installing gigabit-capable broadband to their premises when part of a group project.

Rural premises with broadband speeds of less than 30Mbps can use vouchers worth up to £3,500 for each small and medium-sized businesses (SMEs), and up to £1,500 per residential premise. to support the cost of installing new gigabit-capable connections. This is subject to the eligibility rules.

<https://gigabitvoucher.culture.gov.uk/>

Better Broadband Voucher Scheme – Department for Digital, Culture, Media & Sport

The Government has made a commitment to provide every home and business in the UK with access to a basic broadband service so that browsing the web and keeping in touch with families and friends is easier.

The Better Broadband Scheme has been extended for a further year until 31st December 2019, ensuring that a subsidised basic broadband installation remains available to eligible applicants.

If you currently experience broadband speeds of less than 2 Megabits per second (Mbps), the Better Broadband Voucher Scheme may be able to help you access a basic broadband service that will offer download speeds of at least 10 Mbps.

The Better Broadband Voucher Scheme, developed by the UK government, provides a voucher worth up to £350 for basic broadband installation to homes and businesses that will not benefit from superfast broadband.

Urban Tree Challenge Fund – Forestry Commission

The Forestry Commission has launched the Urban Tree Challenge Fund, with grants available over the next two years to make urban areas (cities and towns) greener and help meet the government's target of planting one million urban trees by 2022.

The first year of the fund is now closed. In year two individual applications will be accepted for small, single planting sites, and prospective individual applicants can complete an expression of interest form to register interest in applying in 2020.

The fund provides up to 50% funding of standard costs for planting large and small trees and their establishment costs for three years following planting, such as the costs associated with buying a tree, planting it in a grass verge, basic protection and the labour required to plant it. Establishment payments will then support the cost of weeding, watering and checking trees during multiple visits over a three-year period.

Anyone is able to apply for the fund as long as they either have full management control over the land or signed consent from those who do for the duration of the agreement.

Neighbourhood Planning Grant Funding – Locality

You can apply for three types of grant funding if you are preparing a Neighbourhood Plan:

- **Basic Grant Funding:** All groups undertaking a neighbourhood plan are eligible to apply for up to £9,000 in basic grant. As well as applying for a basic grant, you can also apply for technical support (provided you meet the eligibility criteria) to help you with your neighbourhood plan.

- Additional Grant Funding: Groups meeting the eligibility criteria are able to apply for additional grant of up to £8,000 (in addition to the basic grant). This will take the total amount of grant available to you to £17,000.
- Affordable Housing for Sale Grant Funding: This is a new element to the programme and it is running as a pilot scheme and is available during 2019-20 in the first instance. If you are wishing to bring forward affordable housing for sale you may be eligible for further grant funding of up to £10,000 to help develop these ideas.

<https://neighbourhoodplanning.org/about/grant-funding/#affordablehousing>

Village Hall Improvement Grant Fund – Action with Communities in Rural England (ACRE)

The Autumn 2018 budget announced that, to mark the centenary of the Armistice, government would support several initiatives, including making available grant funding to support improvement projects for village halls.

The grant funding will be managed by ACRE on behalf of Defra with support from the ACRE Network. The grant aims to help fund the updating and refurbishment of village halls so that they are fit for purpose and provide activities which seek to achieve one or more of the following outcomes for their communities:

- Improved health and wellbeing/reduction in loneliness
- Demonstrates a positive impact on the environment
- Supports the local rural economy

There will be greater emphasis given to applications who have already secured most of the funding.

The scheme will fund up to 20% of eligible costs, with a minimum grant of £10,000 and a maximum grant of £75,000 payable. This means overall scheme costs would be between £50,000 and £375,000.

Church Conservation Grants – William and Jane Morris Fund

Grants between £500 and £5000 are awarded to churches, chapels and other places of worship in the United Kingdom for the conservation of decorative features and monuments, but not for structural repairs.

Grants will be awarded to support smaller programmes of work concerned with the conservation of decorative or non-structural features such as:

- stained glass windows
- sculpture
- furniture
- internal monuments and tombs

- wall paintings

The decorative feature, monument, etc must date from no later than 1896 (the year of William Morris's death). The next deadline for applications is 31 March 2020.

<https://www.sal.org.uk/grants/morris-fund-conservation-grants/>

Pebble Grants – The Rank Foundation

This is a funding stream for UK registered charities and recognised churches which are raising money for projects where the total cost is less than £1million. If you are raising money for a particular project for which the mainstay is capital costs (building work, refurbishment or the purchase of long-term equipment) or a one-off short-term activity (such as an annual respite break or holiday for disadvantaged young people) and have already raised a third of the total costs, you may be eligible for this.

The Rank Foundation are currently accepting applications for the January 2020 trustees' meeting.

Funding for Community-led Homes

Together with the Confederation of Co-operative Housing, Locality and UK Cohousing, the National Community Land Trust Network have created 'Community Led Homes' to support their mission of making community led housing a mainstream housing option. Community Led Homes will provide training, funding and practical support to community led housing groups, councils and developers. This includes a summary of various forms of funding available which you can view on their website:

<https://www.communityledhomes.org.uk/>

New grants have been announced as follows:

1. Community-led Homes Start-up Support Programme: up to £10,000 revenue funding is available for early stage voluntary and community organisations exploring community-led housing. All funding must be committed by March 2020.
2. Community-led homes – becoming a Registered Provider / Investment Partner: aims to help community-led organisations progressing community-led projects to gain the support and funding they require to become a Registered Provider (RP) with the Regulator of Social Housing and/or an Investment Partner (IP) with Homes England. Up to £10,000 is available with applications accepted until mid-February 2020 or until all funding is committed, whichever is the sooner.
3. Homes in Community Hands Programme: operated by Power to Change, this programme will award grants averaging £50,000 to community led housing projects that will create schemes that deliver a majority of permanently affordable homes for rent or sale to locally connected people. These can be either as new build housing or by refurbishing empty properties. Funds will be largely focussed in Leeds City Region, Liverpool City Region, Tees Valley City Region, the West of England and the West Midlands. Funds will also be available to genuinely innovative community led housing projects anywhere in England. Funding must be committed by December 2021.
4. Enabling Hub Grant Programme: funded by the Ministry of Housing, Communities & Local Government, this programme aims to expand the network of Enabler Hubs - regional organisations supporting community led housing groups to deliver projects, particularly those likely to bid to Homes England for the Community Housing Fund. Development Grants up to £50,000 are available and Full Grants up to £150,000. The fund will remain open to applications from April 2019 until 31 January 2020.

Community Housing Fund – Homes England

The government is making available £163 million across England up to 2020 to 2021 through the Community Housing Fund. The Fund aims to support an increase in housing supply in England by increasing the number of additional homes delivered by the community-led housing sector; to provide housing that is affordable at local income levels and remains so in perpetuity; and to deliver a lasting legacy for the community-led housing sector in the form of an effective and financially self-sustaining body of expertise within the house building industry in England.

Under Phase One of the Fund, Homes England is making available grants to eligible organisations to support:

- applications for revenue funding for capacity building and predevelopment costs, including revenue grants to local authorities to support community groups
- capital bids for associated infrastructure costs which will support community housing development

Under Phase Two of the Fund Homes England is making available grants to eligible organisations to help cover the capital costs of acquiring land and building community-led housing schemes.

Both phases are now open with deadlines for applications of 31 December 2019.

Heritage Impact Fund – Architectural Heritage Fund

The HIF offers tailored finance for charities, social enterprises and community businesses across the UK to develop sustainable heritage at the very heart of vibrant local economies.

Loans from £25,000 to £500,000 are available for up to three years with tailored terms and both flexible and incentivised interest rates for impactful projects. These could include both capital and interest repayment holidays. HIF supports applicants across the UK who are undertaking a capital project or are looking to build upon or scale-up an existing enterprise.

The HIF is a joint initiative with contributions from the National Lottery Heritage Fund, Historic England, Historic Environment Scotland, Cadw and the Architectural Heritage Fund.

<http://ahfund.org.uk/hif>

National Lottery Grants for Heritage – Heritage Lottery Fund

The Heritage Lottery Fund (HLF) funds projects which focus on heritage. HLF state that heritage can mean different things to different people. It can be anything from the past that you value and want to pass on to future generations. As a guide, this could include:

- oral history
- cultural traditions
- nature
- natural and designed landscapes
- community archaeology
- historic buildings, monuments and environments
- collections of objects, books or documents in museums, libraries or archives
- histories of people and communities or places and events
- the heritage of languages and dialects
- places and objects linked to our industrial, maritime and transport history

Different grant bands have different criteria:

- National Lottery Grants for Heritage: £3000 to £10,000 for projects up to one year in duration

- National Lottery Grants for Heritage: £10,000 to £100,000
- National Lottery Grants for Heritage: £100,000 to £250,000
- National Lottery Grants for Heritage: £250,000 to £5 million
- Heritage Horizon Awards: grants of £5 million and over

There are no application deadlines for applications up to £100,000. Quarterly deadlines apply for applications over £100,000. For Heritage Horizon Awards the deadline for submission of an expression of interest is 11 October 2019.

The amounts available depend on the type of organisation applying as follows:

- Non-profits and partnerships led by non-profit organisations: £3,000 to £5million
- Private owners of heritage: up to £100,000
- Partnerships led by commercial organisations (for the purposes of achieving economic growth): £250,000 - £5m

A new funding portfolio was launched in January 2019. For information on all HLF programmes visit the website.

First Steps Enterprise Fund – Asda Foundation

First Steps Enterprise Fund (FSEF) is a £300,000 pilot fund to support community organisations. The Social Investment Business manage this fund on behalf of the Asda Foundation.

Funding is available for community organisations (charities and social enterprises) based in England that are looking to take on their first loan to help them grow and become more sustainable. Particular preference is given to organisations that work in the following areas:

- Older people
- Health and wellbeing
- Employment for young people

Funding packages of up to £30,000 are available (90% loan and 10% grant). The loan element is charged at 5% (fixed) to be repaid over a period of 4 years with an optional capital holiday for the first year. Up to £50,000 is available for exceptional cases.

Energy Redress Scheme – Energy Saving Trust

Energy Saving Trust has been appointed by Ofgem to distribute payments from energy companies who may have breached rules. The funds can pay for anything from making a home more energy efficient, to providing advice that helps consumers keep on top of their bills.

Energy Saving Trust has developed an open application process for charities seeking funding from the Energy Redress Scheme. Successful projects will be selected with input from an independent panel of experts and could cover a range of locations across England, Scotland and Wales.

The amount of funding available through the scheme varies throughout the year and will be reviewed on a quarterly basis in October, January, April and July. Eligible charities that have registered interest in the scheme will be notified when funds become available.

The minimum grant that can be requested is £20,000 and the maximum amount is the lesser of £2 million or the total value of the current fund.

The scheme can fund projects lasting up to two years, can fund 100 per cent of the project cost and can cover revenue and capital measures.

Cultural Impact Development Fund

This £3.7 million fund provides small-scale repayable finance to socially-driven arts and cultural organisations. The Fund is supported by Access – The Foundation for Social Investment through the Growth Fund programme, with finance being provided by its partners Big Lottery Fund and Big Society Capital.

The aims of the fund are to:

- Enable risk-taking, ambitious organisations in the arts and cultural sector to take on small-scale repayable finance in order to achieve social outcomes;
- Increase the capability of arts and cultural organisations to articulate, achieve, monitor and evaluate their intended social impact.

The Fund offers unsecured loans (and revenue participation agreements, where appropriate) between £25,000 and £150,000 with repayment terms of one to five years and interest rates ranging between 5.5% and 8.5%.

The investment window is open until August 2021.

Emergency Essentials Programme – BBC Children in Need

Family Fund Business Services are working in collaboration with BBC Children in Need to deliver the Emergency Essentials programme supporting children and young people living with severe poverty as well as additional pressures such as domestic violence, disability or poor health in the family.

The programme can deliver or fund critical items such as:

- Gas or electric cookers
- Essential household items
- Furniture and kitchen equipment
- Children's beds and bedding
- Washing machines
- Fridges and freezers
- Baby equipment
- Clothing in exceptional or emergency situations.

Applications must be completed by a registered referrer who is part of an organisation that is supporting the family or young person and capable of assessing their needs.

Community Asset Fund – Sport England

Whether it's the park you run through, the hall you do classes in or the pitch you play on, welcoming and accessible spaces have a big impact on a person's experience – and likelihood of coming back.

As part of this, Sport England have produced a guide and accompanying document to explain more about the new Community Asset Fund, how and why they're doing things differently, when they will make decisions plus tips and advice for developing your project or idea.

Sports clubs and community organisations can now apply for investment from the Community Asset Fund – Sport England's new capital fund dedicated to enhancing the spaces in local communities that give people the opportunity to be active.

This fund will have a value of £15 million per annum with the anticipated size of bids between £1000 and £150,000. There is no deadline to apply.

Reaching Communities England – National Lottery Community Fund

The Reaching Communities programme aims to make positive change in communities.

Big Lottery particularly want to hear about ideas that support:

- Lasting and sustainable changes to places and spaces
- Communities to develop happier and stronger relationships with each other

- Taking action to focus on the root causes of social problems to tackle them at the earliest possible stage

Through Reaching Communities funding you can apply for between £10,000 and £500,000. Successful grant can fund some or all of the costs associated with delivering a project, including staff salaries, training, volunteer expenses, management costs, equipment, premises costs, monitoring and evaluation and overheads. The programme can also fund up to £100,000 for small scale capital work, such as refurbishment, the purchase of vehicles, land or buildings.

Big Lottery encourage applicants to contact them before applying for additional advice and support before you submit your application.

Awards for All England – National Lottery Community Fund

National Lottery Awards for All offers funding from £300 to £10,000 to support what matters to people and communities. You can apply if your organisation is a:

- voluntary or community organisation
- registered charity
- constituted group or club
- not-for-profit company or community interest company
- social enterprise
- school
- statutory body (including town, parish and community council).

National Lottery Awards for All has three funding priorities. Applications must meet at least one of them. The priorities are:

- bringing people together and building strong relationships in and across communities
- improving the places and spaces that matter to communities
- enabling more people to fulfil their potential by working to address issues at the earliest possible stage.

This is an open programme. Applications can be made at any time.

Partnerships – National Lottery Community Fund

Through partnerships funding, Big Lottery aim to make grants available over £10,000 for organisations who share responsibility and influence with others, who have a shared set of goals and values, and achieve their mission by starting with the bigger picture rather than just what their organisation can do on its own.

Grants are awarded for up to five years and we can fund project activities, operating costs, organisational development and capital costs. The three funding priorities are:

- bring people together and build strong relationships in and across communities
- improve the places and spaces that matter to communities
- enable more people to fulfil their potential by working to address issues at the earliest possible stage.

Community Centres & Village Halls grants – Trusthouse Charitable Foundation

Trusthouse is interested in applications for capital projects at community centres in the most deprived urban areas and village halls in remote and economically deprived rural areas.

The Foundation wants to support community centres and village halls which are at the heart of small, deprived communities. They expect that you will be providing a range of activities for all ages and abilities which help to promote community cohesion and address local problems of isolation, poverty, lack of local facilities, transport and other issues of relevance to your area.

They interpret 'community centres' in the broad sense, so you might be a church, sports facility or other building which offers a range of activities throughout the week which all the community can access.

The Foundation will consider applications for new buildings; upgrading, renovating or extending buildings; improving or creating outside space (but not car parks). You will need to have secured a minimum of 50% of the costs of the project before you start an application.

HS2 Community and Business Funds – Groundwork UK

Two funds are available to local communities to help with the disruption that will be caused by the construction of Phase one of HS2 between London and the West Midlands; the Community and Environment Fund and the Business and Local Economy Fund. The objective of these funds is to add benefit, over and above committed mitigation and statutory compensation, to communities and local economies along the route.

The administration of these funds is managed on behalf of HS2 Ltd by the charity Groundwork who will ensure both funds remain available for applications throughout the construction of Phase One.

Community Shares Booster Programme – Power to Change

The Community Shares Booster Programme is a funding scheme to support community share offers. It will invest equity up to £100,000 to match community shares in societies that can demonstrate higher than average levels of community impact, innovation and engagement. The programme will also provide development grants of up to £10,000 to help societies get investment ready and meet standards of good practice. Match funding will be in the form of equity held on equal terms with other community shareholders.

Power to Change has provided £3m funding for the Booster Programme over a five-year period from 2017-22. The programme is expected to match fund around 60 share offers in the first three years of the programme (to 2020) and then provide active investor support to societies on a continuing basis. The programme is run by the Community Shares Unit, a joint initiative between Co-operatives UK and Locality.

The Community Shares Unit was established in 2012, since when there have been over 350 community share offers in the UK, raising more than £120m in share capital from over 100,000 people. Community shares are defined as non-transferable, withdrawable shares in an asset locked society that has at least 20 member-shareholders and £10,000 in share capital.

Applications are accepted on a rolling basis.
