A monthly bulletin facilitated by your membership of the Rural Services Network highlighting a selection of current funding opportunities

Grant schemes for electric vehicle charging infrastructure – Office for Low Emission Vehicles

The government offers grants to support the wider use of electric and hybrid vehicles via the Office of Low Emission Vehicles (OLEV). This includes:

- The Electric Vehicle Homecharge Scheme (EVHS) provides grant funding of up to 75% towards the cost of installing electric vehicle chargepoints at domestic properties across the UK.

Update: From April 2022, the EVHS will no longer be open to homeowners (including people with mortgages) who live in single-unit properties such as bungalows and detached, semi-detached or terraced housing. Installations in single-unit properties need to be completed by 31 March 2022 and a claim submitted to the Driver and Vehicle Licensing Agency (DVLA) by 30 April 2022. The scheme will remain open to:

- homeowners who live in flats
- people in rental accommodation (flats and single-use properties)
- The Workplace Charging Scheme (WCS) is a voucher-based scheme that provides support towards the up-front costs of the purchase and installation of electric vehicle charge-points, for eligible businesses, charities and public sector organisations.
- The On-street Residential Chargepoint Scheme (ORCS) provides grant funding for local authorities towards the cost of installing on-street residential chargepoints for plug-in electric vehicles.

The Platinum Jubilee Fund – National Lottery Community Fund

The Platinum Jubilee celebrates 70 years of Her Majesty The Queen's reign and to mark this occasion, The National Lottery Community Fund will fund 70 projects across the UK.

They are looking for projects that go beyond simply celebrating but for those that create change for communities. They want to fund projects that create a greater legacy for places and spaces, and that support new opportunities, activities and build better relationships with one another, across generations and with the natural world.

Applications will be prioritised from organisations that have not received funding from the Fund before and are smaller or medium sized organisations or groups with an annual turnover of under £100,000.

The deadline for applications is 15 December 2021 or when 700 applications have been received.

Culture Recovery Fund for Heritage – DCMS and the National Lottery Heritage Fund

On 5 July 2020, the Department for Digital, Culture, Media and Sport announced a £1.57billion package to protect the UK's culture and heritage sectors from the economic impacts of COVID-19. To date, over £1.2b has been allocated from the Culture Recovery Fund, reaching around 5000 individual organisations and sites.

At the 2021 Budget, the Chancellor announced an additional £300million to support the Culture Recovery Fund in 2021/22, to continue to support key cultural organisations; bridge the sector as audiences begin to return; and continue to ensure a vibrant future for the culture sector as the nation recovers from the pandemic.

The Heritage Fund, in partnership with Historic England, is distributing this funding based on criteria set by DCMS.

The Culture Recovery Fund for Heritage: Emergency Resource Support is for organisations that are in severe need. This strand was originally open from 7 July 2021 to 30 September 2021.

To continue to support the sector throughout the winter period, the Emergency Resource Support programme has been reopened. This will give more organisations at imminent risk of financial failure an opportunity to bid for support, protecting even more organisations so that they can continue to create jobs and contribute to the economy. This scheme will be open until noon on 11 January 2022.

Suicide Prevention grant fund – Department of health & Social Care

The government has launched a £5 million fund to support the Voluntary Community and Social Enterprise (VCSE) sector on suicide prevention services.

Recognising the increased pressures, a £4 million grant fund will open on 2 December 2021 for applications from VCSE organisations that support suicide prevention.

The support will be targeted at high-risk groups who have struggled most during the pandemic, such as people with a pre-existing mental illness, children and young people, NHS and social care staff who've faced enormous pressure over the last 18 months, and people in contact with the criminal justice system.

The funding will provide organisations with additional resource that will enable them to either set up new projects or expand or sustain current services to ensure people are supported. The other £1 million of the funding has been set aside to support existing and ongoing voluntary sector suicide prevention programmes.

Project Grants (time limited) – Arts Council England

The Arts Council are working with the Department for Digital, Culture, Media and Sport (DCMS) to create more and better volunteering opportunities for young people and others who experience barriers to have high quality opportunities.

Volunteering Futures will enable people to get involved in volunteering activities across the arts, heritage, museums, libraries, sport and physical activity, youth and other community settings.

They want to create more and better volunteering opportunities for people:

- who experience loneliness
- who experience barriers to volunteering
- in areas where there are fewer volunteering opportunities

The Fund opened for expressions of interest on 22 November and will close on 7 December, before full applications are invited in January.

To apply to Volunteering Futures your project needs to be for £100,001 or over. There is no maximum threshold for the fund. The total amount available for this time-limited priority is £4.7 million.

Forestry England Woodland Partnership

The Forestry England Woodland Partnership offers long-term leases with guaranteed income for public and private landowners to create new woodlands. The partnership scheme supports government plans for woodland creation, nature recovery and progress towards net zero targets.

Forestry England are looking for sites of at least 50 hectares suitable for woodland creation for leases of between 60 and 120 years, and landowners will receive a guaranteed annual rent throughout the lease period. Forestry England will design, plant and manage every woodland created, ensuring each is resilient to a changing climate, supports wildlife, and provides wider ecosystem services.

All woodlands created through the partnership scheme will be open to the public, providing valuable health and wellbeing opportunities for communities.

Part of the Nature for Climate Fund to support the government's tree planting commitment, the Forestry England Woodland Partnership aims to create at least 2,000 hectares of predominantly broadleaf woodland over the next five years.

Applications are open all year round. Full details and brochures for public and private landowners are available on the Forestry England website.

Social Enterprise Support Fund – National Lottery Community Fund

This fund is open for applications now. It provides grants to help social enterprises rebuild from COVID-19. It is established in partnership by The National Lottery Community Fund and five social enterprise support agencies.

Grants between £10,000 and £100,000 are available to social enterprises in England. They want to reach the most marginalised communities and to promote inclusion. They want to support social enterprises that are helping communities affected by COVID-19 to recover, and to help social enterprises themselves to recover and rebuild their trading.

The deadline for applications in Round 1 is 21 December 2021. Round 2 will open on 28 February and close on 24 March 2022.

The Circular Future Fund – John Lewis Partnership

In partnership with Hubbub, the John Lewis Partnership has launched a £1 million fund to support trailblazing ideas and innovations that can accelerate the transition towards a more circular economy.

Whether it's rethinking waste with new products or materials, finding creative ways to shift consumer mindsets or developing new business models and services, they would like to hear from you.

The fund will provide grants between £150,000-£300,000 and the deadline to apply is 9 January 2022.

They are looking for innovators with pioneering new approaches to challenge the outdated 'take, make, dispose' model. If you feel you have a circular solution

in the areas of food, textiles or household products, technology or services they would like to hear from you.

Arnold Clark Community Fund

In March 2020, Arnold Clark launched their first ever Community Fund in order to provide financial help to community groups and charities that had been significantly affected by the coronavirus pandemic.

This winter, the Fund will focus on the following categories: poverty relief, food banks, toy banks, housing and accommodation.

The Arnold Clark Community Fund is open to UK registered charities and local community groups. The fund is also open to community interest companies, charitable incorporated organisations and social enterprises.

Grants up to £1000 are available and the Fund will suspend taking new applications on 31 December 2021.

Recovery Loan Fund – Social Investment Business (SIB)

The Recovery Loan Fund provides loans to UK charities and social enterprises who have been impacted by Covid 19 and need funds to help them to survive, recover and grow. It has been established by Social Investment Business (SIB) to make an existing Government guarantee scheme, the Recovery Loan Scheme, more easily accessible to charities and social enterprises.

The Fund will lend to organisations that are improving people's lives, or the environment they live in, across the UK. All funding purposes will be considered including refinancing of existing debt onto more patient terms.

The Fund closes to submissions on 20 May 2022. Applications will be reviewed on a first come, first served. Eligible organisations can apply for loans of £100k-£1.5m.

Grants for Heritage – National Lottery Heritage Fund

The National Lottery Heritage Fund provide different levels of funding to heritage of all shapes and sizes. Their grants range from £3,000 up to millions of pounds.

Current programmes include:

- National Lottery Grants for Heritage - £3,000 to £10,000; £10,000 to £250,000; £250,000 to £5 million. The impact of the coronavirus (COVID-19) pandemic means the Fund will prioritise heritage projects that:
 - promote inclusion and involve a wider range of people (a mandatory outcome)
 - boost the local economy
 - encourage skills development and job creation
 - support wellbeing
 - create better places to live, work and visit
 - improve the resilience of organisations working in heritage

Full information on all National Lottery Heritage Fund programmes is available on their website.

Cornerstone, Gateway & Foundation Grants – National Churches Trust

The National Churches Trust has three grant programmes currently open:

- Cornerstone grants. The Cornerstone Grant Programme offers grants of between £10,000 and £50,000 towards the cost of urgent structural repair projects costed at more than £100,000 including VAT. The Trust will also consider projects that introduce kitchens and accessible toilets to enable increased community use, costed at more than £30,000 including VAT. Grants will never exceed 50% of the project cost. The next deadline for applications is 7 March 2022..
- Gateway grants. The Gateway Grant Programme offers grants of between £3,000 and £10,000 towards project development and investigative work up to RIBA planning stage 1, to support churches preparing for a major project, and in developing their project to the point at which they can approach a major grant funder. Grants will never exceed 50% of the project costs for this phase. The next deadline for applications is 13 January 2022.
- Foundation grants. The Foundation Grant Programme will offer grants of between £500 and £5,000 towards urgent maintenance works and small repairs identified as high priority within a recent Quinquennial Inspection or Survey Report. Also, small investigative works and surveys. Project costs should not exceed £10,000. See the website for the next deadline for applications.
- Preventative maintenance micro grants. If the cost of booking maintenance services is a problem, the National Churches Trust, with its partner the Pilgrim Trust, can offer grants towards the cost of a building's maintenance services. You could receive up to 50% of the cost of works (excl. VAT) up to a maximum grant of £500. The cost of your service must not exceed £1,000 (excl VAT).

Neighbourhood Planning Grant Funding – Locality

You can apply for three types of grant funding if you are preparing a Neighbourhood Plan:

- Basic Grant Funding: All groups undertaking a neighbourhood plan are eligible to apply for up to £10,000 in basic grant. As well as applying for a basic grant, you can also apply for technical support (provided you meet the eligibility criteria) to help you with your neighbourhood plan.

- Additional Grant Funding: Groups meeting the eligibility criteria are able to apply for additional grant of up to £8,000 (in addition to the basic grant). This will take the total amount of grant available to you to £18,000.
- Affordable Housing for Sale Grant Funding: This is a new element to the programme, and it is running as a pilot scheme. The pilot began in 2019-20 and will continue in 2020-21. If you are wishing to bring forward affordable housing for sale you may be eligible for further grant funding of up to £10,000 to help develop these ideas.

All grants are now open.

Covid-19 Response Fund – National Heritage Memorial Fund

Launched in June 2021, this funding stream offers project grants to support any heritage asset which is:

- of outstanding importance to the national heritage
- at risk due to the impact of coronavirus (COVID-19)

A total of £40million is being distributed by NHMF, made up of two lots of £20m:

- NHMF has made a commitment of £20m, which is available to applicants from across the UK.
- A £20m Cultural Assets Fund has been made available by DCMS as part of the government's wider Culture Recovery Fund. This funding will safeguard nationally important heritage assets within England.

Distributing NHMF's own commitment as a single fund with the Cultural Assets Fund aims to ensure a UK-wide balance of funding.

This funding is available until the end of April 2023. There are no deadlines for applications.

Farming in Protected Landscapes Programme – Department for Environment, Food & Rural Affairs

The Farming in Protected Landscapes programme is a part of Defra's Agricultural Transition Plan.

It will offer funding to farmers and land managers in Areas of Outstanding Natural Beauty (AONB), National Parks and the Broads. It is not an agri-environment scheme.

The programme will fund projects that:

- support nature recovery
- mitigate the impacts of climate change
- provide opportunities for people to discover, enjoy and understand the landscape and its cultural heritage
- support nature-friendly, sustainable farm businesses

The Farming in Protected Landscapes programme has been developed by Defra with the support of Area of Outstanding Natural Beauty (AONB) and National Park staff from across England.

The programme runs from July 2021 to March 2024.

England Woodland Creation Offer – Forestry Commission

Landowners, land managers and public bodies can apply to the England Woodland Creation Offer (EWCO) for support to create new woodland, including through natural colonisation, on areas as small as 1 hectare. EWCO opened for applications on 9 June 2021 and replaces the Woodland Carbon Fund, which closed for applications in March 2021.

The grant is administered by the Forestry Commission and is funded through the Nature for Climate Fund.

There are four types of payments available under EWCO:

- support for the capital items and activities to establish new woodland, at 100% of standard costs
- 10 years of annual Maintenance Payments to help establish the young trees once the capital works are complete
- contribution towards the actual cost of installing infrastructure to either enable the current and future management of the woodland, or to provide recreational access
- optional Additional Contributions where the location of the woodland and its design will deliver public benefits. You can apply for multiple Additional Contributions on the same land where it touches the right spatial layer and the design is compatible

EWCO is a criteria-based, competitive scheme, with funding offered on a first-come, first-served basis.

Energy Redress Scheme – Energy Saving Trust

Energy Saving Trust has been appointed by Ofgem to distribute payments from energy companies who may have breached rules. The funds can pay for anything from making a home more energy efficient, to providing advice that helps consumers keep on top of their bills.

Energy Saving Trust has developed an open application process for charities seeking funding from the Energy Redress Scheme. Successful projects will be selected with input from an independent panel of experts and could cover a range of locations across England, Scotland and Wales.

The amount of funding available through the scheme varies throughout the year and will be reviewed on a quarterly basis in October, January, April and July. Eligible charities that have registered interest in the scheme will be notified when funds become available.

The minimum grant that can be requested is £20,000 and the maximum amount is the lesser of £2 million or the total value of the current fund.

The scheme can fund projects lasting up to two years, can fund 100 per cent of the project cost and can cover revenue and capital measures.

Round 13 of the Energy Redress Scheme is expected to open shortly. The previous round included the following elements:

- The Main Fund aimed at projects seeking grants between £50,000 and £750,000 that will support energy consumers in vulnerable situations.
- The Small Project Fund aimed at projects seeking grants of between £20,000 and £49,999 that will support energy consumers in vulnerable situations.
- Innovation Fund aimed at projects that will develop innovative products or services to benefit energy consumers. Applicants can apply for grants between £50,000 and £500,000.
- Carbon Emissions Reduction Fund is targeted at projects that can help domestic energy consumers participate in the just transition to Net Zero CO2 emissions. The fund awards grants between £50,000 and £500,000.

Veterans' Foundation grants

Many armed forces charities struggle to raise sufficient funding to support serving and former members of the British Armed Forces' and sometimes their dependants who are in need. The Veterans' Foundation has been created to establish a new and nationwide source of funding to help these charities. It acquires its funds through the Veterans' Lottery and donations.

The trustees of the Veterans' Foundation will disburse funds to Armed Forces charities and charitable activities.

They will support projects that:

- Reduce homelessness
- Increase employment
- Provide welfare and medical support
- Increase confidence and social integration
- Reduce dependence on drugs and alcohol
- Support other charitable activities that may be needed

You can apply for grants of any sum up to a maximum of £30K. Trustees will also consider a bid for a spread grant, i.e. £30K as £10K for each of the next three years. Please note that the trustees are likely to award more small grants than large grants. They will consider a range of factors including the service or item being applied for, the number of beneficiaries, the importance of the grant to the applicant charity and the needs of the beneficiaries.

Church Conservation Grants – Morris Fund

Grants between £500 and £5000 are awarded to churches, chapels and other places of worship in the United Kingdom for the conservation of decorative features and monuments, but not for structural repairs.

Grants will be awarded to support smaller programmes of work concerned with the conservation of decorative or non-structural features such as:

- stained glass windows
- sculpture
- furniture
- internal monuments and tombs
- wall paintings

The decorative feature, monument, etc must date from no later than 1896 (the year of William Morris's death). The next deadline for applications is 31 March 2022.

BlueSpark Foundation grants

Schools, colleges and community groups in England can apply for grants to Blue Spark Foundation for a wide range of projects. The Foundation value academic, vocational, artistic and sporting endeavour in equal measure but are particularly keen to support projects which will help enhance the self-confidence, team working skills and future employability of children and young people.

Many grants will be under £2,000 and none are more than £5,000.

Projects which could be supported include drama, music, sport, art and design, debating, public speaking, academic education, vocational training, community projects, enterprise projects and educational excursions. This list is illustrative and not exclusive as to the types of project that the Foundation support.
