

RURAL FUNDING DIGEST

June 2021

A monthly bulletin facilitated by your membership of the Rural Services Network highlighting a selection of current funding opportunities

Funds to support the uptake of neighbourhood planning – Ministry of Housing, Communities & Local Government

Government has published a prospectus establishing two funds to support the desire to spread neighbourhood planning into more towns and cities.

One fund will allow local authority led pilots to test a simpler approach to neighbourhood planning, while the other will provide direct financial support to local authorities to support neighbourhood planning in under-represented areas.

Grants of up to £30,000 are available to successful authorities. The closing date for applications is **7 June 2021** (note the deadline for applications has been extended by a week from 31 May 2021).

Community Grants – Nationwide Building Society

Charities, Community Land Trusts and housing co-operatives who are making positive changes in their local areas can apply for grants of between £10,000 and £50,000.

Projects will be favoured that:

- help charities get back on their feet after the impact of Covid 19
- illustrate a clear link to Nationwide's ambition for everyone to have a place fit to call home and can demonstrate the impact their project will have on the local community
- are supporting people in housing need, in original or creative ways. This includes both projects already delivering local impact and those carrying out research to find new ways to challenge the housing crisis
- have the potential to inspire and be used by others across the country
- have robust plans to measure and report on the difference the grant will make
- can demonstrate sustainability beyond the life of the grant, by building the skills of staff and volunteers, diversifying funding streams and providing long-term solutions for the people they are helping
- can evidence knowledge of local issues and have a network of local connections.

In 2021 they are capping the amount of Community Grant applications that will be accepted.

Tampon Tax Fund – Department for Digital, Culture, Media & Sport

A pot of £11.25 million has been made available to charitable organisations to bid for, with priority given to those working to end violence against women and girls, as well as organisations that support a network of charities.

For this round of funding, the grant threshold has been reduced from £1 million to £350,000. This means that more organisations will be able to apply, increasing accessibility to organisations that support this vital work.

Grants may be for 12 or 18-month projects, and all activities must be concluded and funds spent by 31 March 2023. The deadline for applications is 4 July 2021.

Jean Sainsbury Animal Welfare Trust

The objectives of the Trust are to donate to UK registered charities whose purposes encompass one or more of the following:

- to benefit or protect animals
- to relieve animals from suffering
- to conserve wild life
- to encourage the understanding of animals

The Trust favours applications from smaller animal welfare charities:

- Which have independently examined up to date annual accounts.
- Which demonstrate an active re-homing and rehabilitation policy for animals taken into their care.
- Involved with conservation of wildlife, when the rescue, rehabilitation and (where possible) the release of animals is their main aim.

The maximum pledge available is up to £35,000. The next deadline for applications is 1 September 2021.

NFU Mutual Charitable Trust

The NFU Mutual Charitable Trust was set up in 1998, to promote and support charities in the United Kingdom working in agriculture, rural development and insurance.

The Trust focuses on providing funding to larger initiatives, which would have a significant impact on the rural community. The Trustees are particularly interested in initiatives in the areas of education of young people in rural areas and relief of poverty within rural areas.

The Trustees meet twice a year to consider applications received. These meetings are currently held in June and November.

Applications for the November meeting must be submitted by 29th October 2021.

Sporting Capital loan fund

The £3m Sporting Capital Fund provides loan funding up to £150,000 to eligible projects. The Fund is England's first social investment fund focused on the sports sector to support the development of community sports organisations and organisations that deliver impact through sport. Their goal is to help these organisations to become sustainable; using our investment to support the development of new, or retain and expand existing, revenue streams.

Examples of how loans can be used include:

- Supporting the development of new or refurbishment of existing facilities
- Buying kit and equipment to help deliver activities
- Recruitment, training and deployment of staff and volunteers
- Equipment to support business functions, including finance, project management and governance
- Other operating costs, including working capital

In the region of 30 projects are expected to receive loans.

Gigabit Broadband Voucher Scheme – Department for Digital, Culture, Media & Sport

The Government is providing up to £210m worth of voucher funding as immediate help for people suffering from slow broadband speeds in rural areas.

Vouchers worth up to £1,500 for homes and £3,500 for businesses help to cover the costs of installing gigabit broadband to people's doorsteps.

The new UK Gigabit Voucher launched in April 2021 and is only available through a supplier who is registered with the scheme.

You can check whether your premises is eligible for a voucher, find a list of registered suppliers, and see those who are active in your area on the website below.

Levelling Up and Community Investments – Ministry of Housing, Communities & Local Government

The UK government has launched three new investment programmes to support communities across the country. These new investment programmes are:

- The UK Community Renewal Fund – £220 million funding to help local areas prepare for the launch of the UK Shared Prosperity Fund in 2022. This Fund aims to support people and communities most in need across the UK to pilot programmes and new approaches and will invest in skills, community and place, local business, and supporting people into employment.
- The Levelling Up Fund – £4.8 billion funding for investment in infrastructure that improves everyday life across the UK, including regenerating town centres and high streets, upgrading local transport, and investing in cultural and heritage assets.
- The Community Ownership Fund – £150 million funding to help ensure that communities across England, Scotland, Wales and Northern Ireland can support and continue benefiting from the local facilities, community assets and amenities most important to them.

Details of all funds including guidance and bidding details are available on the government's website.

Apprentice incentive payments – HM Government

The government has increased the incentive payment for hiring a new apprentice. The incentive payment is in addition to the £1,000 employers already receive for hiring an apprentice:

Employers will receive £3,000 for new employees of any age who start their apprenticeship from 1 April 2021 to 30 September 2021. You can apply for incentive payments for these apprentices from 1 June 2021.

Full details are available on the government's website.

Force for Change programme – The Armed Forces Covenant Fund

This programme will award grants of up to £10,000 for community projects that reduce isolation and promote integration; supporting post-Covid recovery in local Armed Forces communities affected by isolation.

One-year grants are available of up to £10,000 to support ideas that need small amounts of funding to deliver nimble and focused local projects to Armed Forces communities. Or they'll make small grants to support services, projects and activities

that are used by Armed Forces communities, but which are struggling as a result of the impact of the Covid pandemic.

The deadline for applications to round two of the programme is 2 August 2021.

Sustaining Support for Armed Forces Communities – The Armed Forces Covenant Fund

This programme will award grants of up to £100,000 for existing charitable projects to help charities to sustain activities and services that people from Armed Forces communities use and value.

There are two funding tracks available, and organisations can only pick one track and receive one grant award from this programme.

1. Project Funding Track – for existing projects only that are well used by people from Armed Forces communities. Up to 2 Full Time Equivalent staff can be funded to deliver your project or activity for a year plus other reasonable cost.
2. Core Funding Track – For Armed Forces Charities only. Up to two Full Time Equivalent core staff can be funded where that enables your organisation to keep delivering services.

Round one of this programme closes on 4 June 2021. Round two will close on 9 September 2021.

Community Business Renewal scheme – Power to Change

Power to Change has launched the Community Business Renewal Initiative, a package of support for community businesses, in response to the covid-19 crisis. The support package contains a number of elements including:

- *Community Business Crowdfunder*. This helps communities to develop, test or grow your community business. The fund is designed to help you raise funds to cover key costs, help you build your network of supporters and provide match funding. Working with Crowdfunder, Power to Change will offer an investment, up to £10,000, to match the amount raised by your supporters.
- *Community Business ReBoost Fund*. This provides grant funding to support the development of a community share offer and achieve the standard mark, as well as match equity investment. The investments will be up to £25,000 of match funding, providing that the minimum share target is achieved. ReBoost Fund is designed to support community businesses to launch their first community share offer and is run by Power to Change in partnership with Cooperatives UK.

You can find more details on all elements of the Community Business Renewal scheme on the Power to Change website.

Theatre Improvement Scheme – Theatres Trust

Theatres Trust's Theatre Improvement Scheme, in association with the Wolfson Foundation, offers capital funding for theatres.

The theme for the fund for the next three years is Improving Environmental Sustainability as this is an urgent priority for the sector.

Theatre operators can apply for grants of up to £20,000 towards their building or equipment as part of the scheme.

It is hoped that these grants will support a range of projects that consider different ways theatre buildings can reduce their environmental impact. From sedum roofs to new

windows, building management systems to more efficient water heaters, funding will be given to projects that demonstrate how a small intervention can have a big impact. The deadline for applications is 6 September 2021.

[Wolfson/Theatres Trust Theatre Improvement Scheme | How We Help | Theatres Trust](#)

The Eco Fund – DPD

The Eco Fund is funded by DPD's circular economy initiative to protect the environment. The plastic shrink wrap used in their operation is broken down, and then recycled to create new plastic shrink wrap. DPD also re-use and recycle the wooden pallets used in their depots and the money generated from both these initiatives goes straight into the Eco Fund.

Anyone can apply for funding from the DPD Eco Fund, although they particularly encourage schools and educational facilities across the UK working on green projects with their students and start-up companies working on developing environmentally friendly products to apply.

Grants up to £2000 are available.

Grants for Heritage – National Lottery Heritage Fund

Applications are open for National Lottery Grants for Heritage from £3,000 up to £5million. They will prioritise projects that contribute to recovery from the coronavirus (COVID-19) crisis.

Between April 2021 to March 2022, when making funding decisions, they will prioritise heritage projects that:

- boost the local economy
- encourage skills development and job creation
- support wellbeing
- create better places to live, work and visit
- improve the resilience of organisations working in heritage

Their inclusion outcome – a wider range of people will be involved in heritage – remains mandatory for all projects funded.

In addition, all projects must demonstrate they are environmentally responsible and are integrating environmental measures into their projects.

Transforming Places through Heritage Grants – Architectural Heritage Fund

This programme supports projects that will contribute to the transformation of high streets and town centres in England helping them become thriving places, strengthening local communities and encouraging local economies to prosper. It is part of a wider initiative to revive heritage high streets in England, alongside Historic England’s High Street Heritage Action Zones. This programme is for individual heritage buildings in, or transferring to, community ownership. They will support charities and social enterprises to develop projects with the potential to bring new life to high streets by creating alternative uses for redundant or underused historic buildings in town centres.

A range of grants are available:

- Project Viability Grants: up to £15,000, for early viability and feasibility work, open now for applications.
- Project Development Grants: up to £100,000, for capital project development costs, open now for applications.
- Crowdfunding Challenge Grants: up to £25,000, to match fund crowdfunding campaigns, open now for applications.

- Community Shares Booster Grants: supporting community share offers with development grants and matched investment.

Awards for All, Reaching Communities and Partnerships – The National Lottery Community Fund

The National Lottery Community Fund is open to all applications that meet their criteria, including support during COVID-19. With the COVID-19 pandemic still with us, they'll continue to support people and communities most adversely impacted by COVID-19. They can support you to:

- continue to deliver activity, whether you're supporting your existing users, responding to the immediate crisis or undertaking recovery activity
- change and adapt, becoming more resilient in order to respond to new and future challenges.

In order to support communities to thrive, they aim to:

- build strong relationships in and across communities
- improve the places and spaces that matter to communities
- help more people to reach their potential, by supporting them at the earliest possible stage.

The Awards for All programme can provide between £300 and £10,000 for up to one year. The Reaching Communities programme offers larger amounts of funding (over £10,000) for up to 5 years. The Partnerships programme also offers a larger amount of funding (over £10,000) for organisations that work together with a shared set of goals to help their community thrive – whether that's a community living in the same area, or people with similar interests or life experiences.

Growing Great Ideas – The National Lottery Community Fund

This is a UK Portfolio funding programme aimed at supporting transformational, long-term change.

The UK Portfolio is where The Fund explores new approaches, experiment with how to do things differently, and look to fund work that is more future focussed.

The Growing Great Ideas programme has a focus on supporting transformational and long-term change. They are looking for visionary initiatives that go beyond individual organisations, and instead focus on ecologies, platforms, ecosystems, assemblages, networks and constellations. They expect these initiatives to be generating an infrastructure through which many things are possible.

They are looking to invest in different combinations of people, communities, networks and organisations that demonstrate an ability to seed and grow alternative systems, accelerate the deep transition of 21st-century civil society, and to learn and adapt as they go.

The minimum grant size is £150,000 and the minimum length is two years.

Small Grants Scheme – Foyle Foundation

This Small Grants Scheme is designed to support charities registered and operating in the United Kingdom, especially those working at grass roots and local community level, in any field, across a wide range of activities.

Online applications can be accepted from charities that have an annual turnover of less than £150,000 per annum. Larger or national charities will normally not be considered under this scheme.

The focus will be to make one-year grants only to cover core costs or essential equipment, to enable ongoing service provision, homeworking, or delivery of online digital services to charities that can show financial stability.

The priority will be to support local charities still active in their communities which are currently delivering services to the young, vulnerable, elderly, disadvantaged or the general community either directly or through online support if possible.

Grants are available between £1000 and £10,000.

Neighbourhood Planning Grant Funding – Locality

You can apply for three types of grant funding if you are preparing a Neighbourhood Plan:

- Basic Grant Funding: All groups undertaking a neighbourhood plan are eligible to apply for up to £10,000 in basic grant. As well as applying for a basic grant, you can also apply for technical support (provided you meet the eligibility criteria) to help you with your neighbourhood plan.
- Additional Grant Funding: Groups meeting the eligibility criteria are able to apply for additional grant of up to £8,000 (in addition to the basic grant). This will take the total amount of grant available to you to £18,000.
- Affordable Housing for Sale Grant Funding: This is a new element to the programme, and it is running as a pilot scheme. The pilot began in 2019-20 and will continue in 2020-21. If you are wishing to bring forward affordable housing for sale you may be eligible for further grant funding of up to £10,000 to help develop these ideas.

All grants are now open.

Cornerstone, Gateway & Foundation Grants – National Churches Trust

The National Churches Trust has three grant programmes currently open:

- Cornerstone grants. The Cornerstone Grant Programme offers grants of between £10,000 and £50,000 towards the cost of urgent structural repair projects costed at more than £100,000 including VAT. The Trust will also consider projects that introduce kitchens and accessible toilets to enable increased community use, costed at more than £30,000 including VAT. Grants will never exceed 50% of the project cost. The next deadline for applications is 5 July 2021.
- Gateway grants. The Gateway Grant Programme offers grants of between £3,000 and £10,000 towards project development and investigative work up to RIBA planning stage 1, to support churches preparing for a major project, and in developing their project to the point at which they can approach a major grant funder. Grants will never exceed 50% of the project costs for this phase. The next deadline for applications is 9 September 2021.
- Foundation grants. The Foundation Grant Programme will offer grants of between £500 and £5,000 towards urgent maintenance works and small repairs identified as high priority within a recent Quinquennial Inspection or Survey Report. Also, small investigative works and surveys. Project costs should not exceed £10,000. Applications can be submitted and decisions will take place on a rolling basis.
- Preventative maintenance micro grants. If the cost of booking maintenance services is a problem, the National Churches Trust, with its partner the Pilgrim Trust, can offer grants towards the cost of a building's maintenance services. You could receive up to 50% of the cost of works (excl. VAT) up to a maximum grant of £500. The cost of your service must not exceed £1,000 (excl VAT).

Energy Redress Scheme – Energy Saving Trust

Energy Saving Trust has been appointed by Ofgem to distribute payments from energy companies who may have breached rules. The funds can pay for anything from making a home more energy efficient, to providing advice that helps consumers keep on top of their bills.

Energy Saving Trust has developed an open application process for charities seeking funding from the Energy Redress Scheme. Successful projects will be selected with input from an independent panel of experts and could cover a range of locations across England, Scotland and Wales.

The amount of funding available through the scheme varies throughout the year and will be reviewed on a quarterly basis in October, January, April and July. Eligible charities that have registered interest in the scheme will be notified when funds become available.

The minimum grant that can be requested is £20,000 and the maximum amount is the lesser of £2 million or the total value of the current fund.

The scheme can fund projects lasting up to two years, can fund 100 per cent of the project cost and can cover revenue and capital measures.

<https://energyredress.org.uk/apply-funding>

Veterans' Foundation grants

Many armed forces charities struggle to raise sufficient funding to support serving and former members of the British Armed Forces' and sometimes their dependants who are in need. The Veterans' Foundation has been created to establish a new and nationwide source of funding to help these charities. It acquires its funds through the Veterans' Lottery and donations.

The trustees of the Veterans' Foundation will disburse funds to Armed Forces charities and charitable activities.

They will support projects that:

- Reduce homelessness
- Increase employment
- Provide welfare and medical support
- Increase confidence and social integration
- Reduce dependence on drugs and alcohol
- Support other charitable activities that may be needed

You can apply for grants of any sum up to a maximum of £30K. Trustees will also consider a bid for a spread grant, i.e. £30K as £10K for each of the next three years. Please note that the trustees are likely to award more small grants than large grants. They will consider a range of factors including the service or item being applied for, the number of beneficiaries, the importance of the grant to the applicant charity and the needs of the beneficiaries.

<https://www.veteransfoundation.org.uk/>

Church Conservation Grants – Morris Fund

Grants between £500 and £5000 are awarded to churches, chapels and other places of worship in the United Kingdom for the conservation of decorative features and monuments, but not for structural repairs.

Grants will be awarded to support smaller programmes of work concerned with the conservation of decorative or non-structural features such as:

- stained glass windows
- sculpture
- furniture
- internal monuments and tombs
- wall paintings

The decorative feature, monument, etc must date from no later than 1896 (the year of William Morris's death). The next deadline for applications is 31 August 2021.

Emergency Essentials Programme – BBC Children in Need

Family Fund Business Services are working in collaboration with BBC Children in Need to deliver the Emergency Essentials programme supporting children and young people living with severe poverty as well as additional pressures such as domestic violence, disability or poor health in the family.

The programme can deliver or fund critical items such as:

- Gas or electric cookers
- Essential household items
- Furniture and kitchen equipment
- Children's beds and bedding
- Washing machines
- Fridges and freezers
- Baby equipment
- Clothing in exceptional or emergency situations.

Applications must be completed by a registered referrer who is part of an organisation that is supporting the family or young person and capable of assessing their needs.

BlueSpark Foundation grants

Schools, colleges and community groups in England can apply for grants to Blue Spark Foundation for a wide range of projects. The Foundation value academic, vocational, artistic and sporting endeavour in equal measure but are particularly keen to support projects which will help enhance the self-confidence, team working skills and future employability of children and young people.

Many grants will be under £2,000 and none are more than £5,000.

Projects which could be supported include drama, music, sport, art and design, debating, public speaking, academic education, vocational training, community projects, enterprise projects and educational excursions. This list is illustrative and not exclusive as to the types of project that the Foundation support.
