

RURAL FUNDING DIGEST

May 2022

*A monthly bulletin facilitated by your membership of the **Rural Services Network** highlighting a selection of current funding opportunities*

Neighbourhood Planning Grant Funding – Locality

DLUHC have extended the 4-year support programme (2018-22) for a fifth year into 2022/23.

The programme will continue to offer grants and Technical Support packages. If you're working on a neighbourhood plan or neighbourhood development order, you can apply for grant funding of up to £10,000. Further grant funding up to an additional £8000 is available to groups meeting certain criteria.

Community Grants – Nationwide Foundation

These grants support local charities, Cooperatives and Community Land Trusts to find local solutions to tackle the housing crisis. These organisations can apply for grants of up to £50,000 to fund projects which help people in housing need.

The Foundation divide the UK up into 11 regions, each with its own Community Board made up of Nationwide members and colleagues from that region.

The number of applications in each region is capped at 40. This means 1 in 4 applications will be successful.

Projects will need to support one of the Foundation's three aims:

- helping people into a home
- preventing them from losing their home or
- supporting them to thrive at home

Applications close on 27 May, or when the regional cap is reached.

Chewing Gum task Force Grants – Keep Britain Tidy

The Chewing Gum Task Force Grant Scheme is open to councils across the UK who wish to clean the gum off the pavements in their local areas and invest in long-term behaviour change to prevent gum from being dropped in the first place. In the first year of the scheme, more than £1.7 million has been invested by chewing gum producers.

The Chewing Gum Task Force brings together some of the country's major chewing gum producers, including Mars Wrigley and Perfetti Van Melle, as well as some producers of nicotine replacement therapy gum. Under the scheme, administered by independent environmental charity Keep Britain Tidy.

Grants of up to £20,000 are available to individual councils in England, Northern Ireland, Scotland and Wales to fund street cleansing and/or the purchase of cleaning equipment. Larger grants of up to £70,000 are available for two or more councils working together to achieve greater impact.

Councils will also benefit from a bespoke gum litter prevention package, including targeted behaviour change signage and advice to encourage people to bin their gum. Previous pilots run by Mars Wrigley and Behaviour Change using this signage have reduced gum littering by up to 64%.

The fund is now open to Expressions of Interest. Formal applications will be welcomed in a two week window between 9 and 23 May 2022, and decisions will be announced by the end of May 2022.

Voluntary Lump Sum Exit Scheme – Department for Environment, Food & Rural Affairs

As set out in the government's Agricultural Transition Plan 2021-24, they will offer farmers who wish to leave the industry the option of taking a lump sum payment. This is designed to enable those who want to leave the industry to be able to leave in a managed way. Once they have received a lump sum, they won't be eligible for any further Direct Payments (Basic Payment Scheme payments or delinked payments) in England.

Farmers will be able to apply up to and including 30 September 2022. Applicants then have until 31 May 2024 to transfer out their agricultural land where required.

Alongside the Lump Sum Exit Scheme government also want to support new entrants coming into the industry and will be providing more details later this year.

Community Transport Grants – Motability

Through this new grant programme Motability aim to help charities and organisations to make an immediate impact for disabled people, by awarding funding to develop, expand and improve community transport options. The programme is focussed on:

- Funding support for staff or volunteer training and costs.
- Funding to increase the number of vehicles available in the community to help organisations support disabled people.
- Funding local, regional, or national initiatives to increase awareness of community transport and influence its inclusion in transport strategy and policy.
- Funding to schemes, programmes and initiatives that already exist, and who provide best practice solutions, but need further support to remain operational or scale up the service they can provide to help more disabled people.

Charities and organisations working in the community transport sector can apply for grants from £100,000 to £4 million at any point over the next three years until March 2025.

Esmée Fairbairn Collections Fund

This fund supports museums to use their collections to become relevant and sustainable organisations that are connected to and valued by their communities. All applications to the fund must focus on existing collections, typically held by an accredited museum or partnership of museums and other organisations, and the funded work must engage and involve audiences to achieve public benefit.

In 2022 they have simplified the grants they are offering, recognising the challenge of the pandemic and seeking ways to build on the great work undertaken in the last two years.

This year they will offer grants of up to £90k over around two years for museums to test new, ambitious, creative collections engagement that has a social impact. These grants are for museums to innovate, kick-start or develop their collections engagement practice where there is a strong link between a relevant collection and audience.

The deadline for expressions of interest is 14 September 2022.

NFU Mutual Charitable Trust grants

The Trust focuses on providing funding to larger initiatives, which would have a significant impact on the rural community. The Trustees are particularly interested in initiatives in the areas of education of young people in rural areas and relief of poverty within rural areas.

The Trustees meet twice a year to consider applications received. These meetings are currently held in June and November.

Applications for the June meeting must be submitted by 27th May 2022 and for the November meeting they must be submitted by 28th October 2022.

Places and Spaces Fund – Sport England

This fund is being boosted to £7 million as it goes nationwide to help communities across England benefit from the Birmingham 2022 Commonwealth Games.

Originally launched in November 2021, with £3.5m to cater for organisations from the West Midlands, extra National Lottery funding has been committed to extend the fund across England and help community organisations make small-scale facility improvements that will help to develop places and spaces wanting to use Birmingham 2022 as a catalyst to improve community sport and physical activity.

While the fund is now available to applicants nationwide, four areas have been selected for targeted investment to support people to get, having been identified as areas of underrepresentation in activity figures. These areas are Merseyside, Greater Manchester, Tyne and Wear and Tees Valley.

Places and Spaces has been developed in partnership with Crowdfunder and will see Sport England award match funding of up to £10,000 to eligible applicants who run a successful community crowdfunding campaign. They anticipate the fund will remain open until December 2022.

Green Deal Heat Network Fund – Department for Business, Energy & Industrial Strategy

The Green Heat Network Fund (GHNF) is a 3-year £288 million capital grant fund that will support:

- the commercialisation and construction of new low and zero carbon (LZC) heat networks (including the supply of cooling)
- the retrofitting and expansion of existing heat networks

The GHNF is open to organisations in the public, private, and third sectors in England. Individuals, households and sole traders cannot apply.

The main scheme opened its first application round on 14 March 2022.

This will be followed by quarterly rounds until the scheme closes in 2025.

For off-gas grid rural heat networks applying to the GHNF, a minimum of 100 dwellings connected to the network is proposed within a minimum 5-year window from the date that heat is forecast to be first supplied to customers.

The final submission date for inclusion in the first round is 27 May.

Urban Tree Challenge Fund – Department for Environment, Food & Rural Affairs

Funding for public bodies, non-government organisations, community groups, charities, individuals and private companies, to support the planting and establishment of large and small trees in urban and peri-urban areas of England is available from Defra. Applications will be accepted from public bodies, community groups, charities and non-government organisations, individuals and private companies in England.

Land included in an application must fall within an urban area. An urban area, as defined for the purposes of the Fund, is a built-up area (based on Office of National Statistics data) with a population of at least 2,000 people, and a buffer of 1km to account for peri-urban planting.

The application deadline is the 31 May.

Youth Social Action Fund – BBC Children in Need

BBC Children in Need, in partnership with the #iwill Fund and The Hunter Foundation, are delivering a £3 million fund to support organisations to embed youth social action across the UK. This fund will help to build children and young people's confidence and skills, empowering them to take an active and leading role in developing solutions to issues which affect their lives and their communities.

The #iwill Fund is a £54 million joint investment between The National Lottery Community Fund and The Department for Digital, Culture, Media and Sport (DCMS).

This funding will support organisations to bring social action and youth empowerment opportunities to children and young people, to help prevent or overcome the effects of the disadvantages they face. The fund especially wants to reach:

- organisations who focus on addressing issues of disadvantage affecting children and young people
- children and young people who have some experience of social action and want to develop their skills and experience to do more.

- children and young people who have no experience of social action work at all but want to find out what it is all about.

Up to £15k is available for unregistered organisations and up to £50k for registered bodies.

The deadline for applications is 23 May.

Scops Arts Trust grants

Scops Arts Trust awards a limited number of grants each year to support high quality arts projects. Their aim is to give people of all ages, backgrounds and life circumstances, opportunities to access, participate in and enjoy the arts, particularly the performing arts. They are keen to find projects which widen access and have a lasting cultural impact on the community.

For 2022, the Trust welcome applications from organisations planning smaller regional festivals in areas where there is little arts provision, due to socio-economic circumstances or geographically remote locations. They are especially interested in supporting performing arts projects aimed at adults and projects which will benefit all ages across the generations within communities.

The next funding round will open on 16 August. Please visit the website for more information on what is supported and how to apply.

General grants programme – Benefact Trust

Benefact Trust's General Grants Programme supports projects that demonstrate an impact on people and communities.

Churches, cathedrals, denominational bodies, Christian charities, and schools and educational institutions are all eligible to apply. All applicants must be able to demonstrate a clear Christian foundation or ethos.

The programme typically funds capital projects, not salaries or running costs. The Programme supports the repair, restoration, protection and improvement of churches, cathedrals and other places of Christian worship where changes support wider community use and enable greater impact.

The programme also supports projects that help to tackle social issues, for example homelessness, poverty, climate change and cultural cohesion, and projects that support Christian leaders, and help to share the Christian faith.

Most grants range from £1000 to £15,000.

Grant schemes for electric vehicle charging infrastructure – Office for Low Emission Vehicles

The government offers grants to support the wider use of electric and hybrid vehicles via the Office of Low Emission Vehicles (OLEV). This includes:

- The EV chargepoint grant provides funding of up to 75% towards the cost of installing electric vehicle smart chargepoints at domestic properties across the UK. It replaced the Electric Vehicle Homecharge Scheme (EVHS) from 1 April 2022. The grant is open to flat owner-occupiers and people living in rented properties. Private landlords and social housing providers can also apply. The grant is not open to homeowners (including people with mortgages) who live in single-unit properties such as bungalows and detached, semi-detached or terraced housing.
- The Workplace Charging Scheme (WCS) is a voucher-based scheme that provides support towards the up-front costs of the purchase and installation of

electric vehicle charge-points, for eligible businesses, charities and public sector organisations.

- The On-street Residential Chargepoint Scheme (ORCS) provides grant funding for local authorities towards the cost of installing on-street residential chargepoints for plug-in electric vehicles.

Listed Places of Worship grant scheme – Department for Digital, Culture, Media and Sport

The Listed Places of Worship (LPW) Grant Scheme gives grants that cover the VAT incurred in making repairs to listed buildings in use as places of worship. The scheme covers repairs to the fabric of the building, along with associated professional fees, plus repairs to turret clocks, pews, bells and pipe organs.

The Scheme has been run by DCMS with a focus on preserving heritage in the fabric of UK listed places of worship. Since its establishment in 2001, the Scheme has adapted to changes while continuing to support places of worship by delivering the fairest possible system of making grants and ensuring that all faiths and areas of the UK are equally able to make use of scheme.

The scheme only accepts applications where the minimum value of eligible work carried out on any one claim to the scheme is £1,000 (excluding VAT).

The Government has confirmed funding is available for the Listed Places of Worship Grant Scheme until 31 March 2025.

Dynamic Collections – National Lottery Heritage Fund

This campaign supports collecting organisations across the UK to become more inclusive and resilient, with a focus on engagement, re-interpretation and collections management.

The Heritage Fund want to support museums, libraries, archives and other organisations to make the most of their collections. The Dynamic Collections campaign will support collecting organisations by bringing together project funding through the Fund's open programmes, digital resources and knowledge sharing.

It is designed to address long-term challenges in the sector, many of which have been made worse by the coronavirus (COVID-19) pandemic. It will also help organisations build on innovative ideas and trends developed over the past few years, particularly in digital engagement.

The campaign also acts on the demand for collections to evolve to meet the changing needs of the communities around them, and to reflect more people's history and experiences.

Dynamic Collections is primarily aimed at collecting organisations, including:

- museums (accredited and non-accredited)
- archives
- historic libraries
- community and other organisations that hold collections, or are working in partnership to develop a collection-based project

Grants are expected to be below £250,000. There are no specific deadlines – you can apply as part of the campaign until 31 March 2023.

Forestry England Woodland Partnership

The Forestry England Woodland Partnership offers long-term leases with guaranteed income for public and private landowners to create new woodlands. The partnership scheme supports government plans for woodland creation, nature recovery and progress towards net zero targets.

Forestry England are looking for sites of at least 50 hectares suitable for woodland creation for leases of between 60 and 120 years, and landowners will receive a guaranteed annual rent throughout the lease period. Forestry England will design, plant and manage every woodland created, ensuring each is resilient to a changing climate, supports wildlife, and provides wider ecosystem services.

All woodlands created through the partnership scheme will be open to the public, providing valuable health and wellbeing opportunities for communities.

Part of the Nature for Climate Fund to support the government's tree planting commitment, the Forestry England Woodland Partnership aims to create at least 2,000 hectares of predominantly broadleaf woodland over the next five years.

Applications are open all year round. Full details and brochures for public and private landowners are available on the Forestry England website.

Grants for Heritage – National Lottery Heritage Fund

The National Lottery Heritage Fund provide different levels of funding to heritage of all shapes and sizes. Their grants range from £3,000 up to millions of pounds.

Current programmes include:

- National Lottery Grants for Heritage - £3,000 to £10,000; £10,000 to £250,000; £250,000 to £5 million. The impact of the coronavirus (COVID-19) pandemic means the Fund will prioritise heritage projects that:
 - promote inclusion and involve a wider range of people (a mandatory outcome)
 - boost the local economy
 - encourage skills development and job creation
 - support wellbeing
 - create better places to live, work and visit
 - improve the resilience of organisations working in heritage

Cornerstone, Gateway & Foundation Grants – National Churches Trust

The National Churches Trust has three grant programmes currently open:

- Cornerstone grants. The Cornerstone Grant Programme offers grants of between £10,000 and £50,000 towards the cost of urgent structural repair projects costed at more than £100,000 including VAT. The Trust will also consider projects that introduce kitchens and accessible toilets to enable increased community use, costed at more than £30,000 including VAT. Grants will never exceed 50% of the project cost. The next deadline for applications is 4 July 2022.
- Gateway grants. The Gateway Grant Programme offers grants of between £3,000 and £10,000 towards project development and investigative work up to RIBA planning stage 1, to support churches preparing for a major project, and in developing their project to the point at which they can approach a major grant funder. Grants will never exceed 50% of the project costs for this phase. The next deadline for applications is 12 May 2022.
- Foundation grants. The Foundation Grant Programme will offer grants of between £500 and £5,000 towards urgent maintenance works and small repairs identified as high priority within a recent Quinquennial Inspection or Survey Report. Also, small investigative works and surveys. Project costs should not exceed £10,000. The next deadline for applications is 31 October 2022.
- Preventative maintenance micro grants. If the cost of booking maintenance services is a problem, the National Churches Trust, with its partner the Pilgrim Trust, can offer grants towards the cost of a building's maintenance services. You could receive up to 50% of the cost of works (excl. VAT) up to a maximum grant of £500. The cost of your service must not exceed £1,000 (excl VAT).

Covid-19 Response Fund – National Heritage Memorial Fund

Launched in June 2021, this funding stream offers project grants to support any heritage asset which is:

- of outstanding importance to the national heritage

- at risk due to the impact of coronavirus (COVID-19)
- A total of £40million is being distributed by NHMF, made up of two lots of £20m:
- NHMF has made a commitment of £20m, which is available to applicants from across the UK.
 - A £20m Cultural Assets Fund has been made available by DCMS as part of the government's wider Culture Recovery Fund. This funding will safeguard nationally important heritage assets within England.

Distributing NHMF's own commitment as a single fund with the Cultural Assets Fund aims to ensure a UK-wide balance of funding.

There are no deadlines for applications. The fund will close at the end of April 2023.

Farming in Protected Landscapes Programme – Department for Environment, Food & Rural Affairs

The Farming in Protected Landscapes programme is a part of Defra's Agricultural Transition Plan.

It will offer funding to farmers and land managers in Areas of Outstanding Natural Beauty (AONB), National Parks and the Broads. It is not an agri-environment scheme.

The programme will fund projects that:

- support nature recovery
- mitigate the impacts of climate change
- provide opportunities for people to discover, enjoy and understand the landscape and its cultural heritage
- support nature-friendly, sustainable farm businesses

The Farming in Protected Landscapes programme has been developed by Defra with the support of Area of Outstanding Natural Beauty (AONB) and National Park staff from across England.

The programme runs from July 2021 to March 2024.

England Woodland Creation Offer – Forestry Commission

Landowners, land managers and public bodies can apply to the England Woodland Creation Offer (EWCO) for support to create new woodland, including through natural colonisation, on areas as small as 1 hectare. EWCO opened for applications on 9 June 2021 and replaces the Woodland Carbon Fund, which closed for applications in March 2021.

The grant is administered by the Forestry Commission and is funded through the Nature for Climate Fund.

There are four types of payments available under EWCO:

- support for the capital items and activities to establish new woodland, at 100% of standard costs
- 10 years of annual Maintenance Payments to help establish the young trees once the capital works are complete
- contribution towards the actual cost of installing infrastructure to either enable the current and future management of the woodland, or to provide recreational access
- optional Additional Contributions where the location of the woodland and its design will deliver public benefits. You can apply for multiple Additional Contributions on the same land where it touches the right spatial layer and the design is compatible

EWCO is a criteria-based, competitive scheme, with funding offered on a first-come, first-served basis.

Energy Redress Scheme – Energy Saving Trust

Energy Saving Trust has been appointed by Ofgem to distribute payments from energy companies who may have breached rules. The funds can pay for anything from making a home more energy efficient, to providing advice that helps consumers keep on top of their bills.

Energy Saving Trust has developed an open application process for charities seeking funding from the Energy Redress Scheme. Successful projects will be selected with input from an independent panel of experts and could cover a range of locations across England, Scotland and Wales.

The amount of funding available through the scheme varies throughout the year and will be reviewed on a quarterly basis in October, January, April and July. Eligible charities that have registered interest in the scheme will be notified when funds become available.

The minimum grant that can be requested is £20,000 and the maximum amount is the lesser of £2 million or the total value of the current fund.

The scheme can fund projects lasting up to two years, can fund 100 per cent of the project cost and can cover revenue and capital measures.

Round 13 of the Energy Redress Scheme is expected to open shortly. The previous round included the following elements:

Small Grants Scheme – Foyle Foundation

This Small Grants Scheme is designed to support charities registered and operating in the United Kingdom, especially those working at grass roots and local community level, in any field, across a wide range of activities.

Online applications can be accepted from charities that have an annual turnover of less than £150,000 per annum. Larger or national charities will normally not be considered under this scheme.

The focus will be to make one-year grants only to cover core costs or essential equipment, to enable ongoing service provision, homeworking, or delivery of online digital services to charities that can show financial stability.

The priority will be to support local charities still active in their communities which are currently delivering services to the young, vulnerable, elderly, disadvantaged or the general community either directly or through online support if possible.

Grants are available between £2000 and £10,000.

Veterans' Foundation grants

Many armed forces charities struggle to raise sufficient funding to support serving and former members of the British Armed Forces' and sometimes their dependants who are in need. The Veterans' Foundation has been created to establish a new and nationwide source of funding to help these charities. It acquires its funds through the Veterans' Lottery and donations.

The trustees of the Veterans' Foundation will disburse funds to Armed Forces charities and charitable activities.

They will support projects that:

- Reduce homelessness
- Increase employment
- Provide welfare and medical support
- Increase confidence and social integration
- Reduce dependence on drugs and alcohol
- Support other charitable activities that may be needed

You can apply for grants of any sum up to a maximum of £30K. Trustees will also consider a bid for a spread grant, i.e. £30K as £10K for each of the next three years. Please note that the trustees are likely to award more small grants than large grants. They will consider a range of factors including the service or item being applied for, the number of beneficiaries, the importance of the grant to the applicant charity and the needs of the beneficiaries.
