

RURAL FUNDING DIGEST

November 2020

A monthly bulletin facilitated by your membership of the Rural Services Network highlighting a selection of current funding opportunities

Return to Play Fund – Sport England

There are three parts to this new fund. Two have been adapted from pre-coronavirus funds, with one extended, and all three will now focus on supporting a safe return to play.

- Return to Play: Small Grants – will make awards of between £300 and £10,000, from a total pot of £10m, to help sport and activity groups, clubs and organisations respond to the immediate challenges of returning to play in a coronavirus-safe way. This could include the costs incurred by having to deliver activity in smaller groups than normal or having the correct hygiene and safety equipment. *** see update below**
- Return to Play: Community Asset Fund – will make awards of between £10,001 to £50,000 from a pot of £5m to help local sports clubs and organisations adapt and open important places and spaces to help their local community return to play safely. This could include the costs incurred by converting existing space to meet social distancing guidelines or improving a facility's ventilation.
- Return to Play: Active Together – is a crowdfunding initiative that can match fund, up to £10,000, successful Crowdfunder campaigns from a pot of £1.5m. This will help clubs and organisations raise money to cover losses of income due to coronavirus, and the partnership with Crowdfunder includes advice, guidance and training to help create a successful campaign.

**Please note Sport England statement on 2 November 2020 regarding the Return to Play Small Grants fund: "Following the government's announcement of new lockdown restrictions across England from Thursday 5 November, we've taken the decision to pause this fund so that we can review the impact of these new restrictions, and look at the type of support and help that will now be needed. We hope to reopen this fund within the next few days."*

CAF Resilience Fund – Charities Aid Foundation

This £20 million fund aims to help charitable organisations in England that support those hardest hit by Covid-19.

The Fund will distribute grants ranging from £10k to £100k, delivering rapid relief from the ongoing impact of the pandemic.

The causes and communities that the fund aims to help include people living in poverty, Black, Asian and minority ethnic communities, children and young people, the unemployed, the homeless, people with physical or learning disabilities and those pushed into crisis because of Covid-19. The grants are flexible, meaning organisations can also spend them on core costs such as rent and utilities.

The deadline to submit applications is 10 November 2020.

Women's Sector Resilience Fund – Smallwood Trust

The Women's Sector Resilience Fund has been created with the support of the Department of Culture, Media and Sport to safeguard the vital frontline jobs and support services of women's organisations that have been affected by the Covid-19 pandemic in England.

Funds are for women's organisations and services that are supporting women aged 18+ whose poverty has been exacerbated by the pandemic or those that have been pushed into new poverty and financial hardship.

The aims of the fund are:

- Grants to support organisations providing services and support for vulnerable women, for which there is increased demand as a result of the Covid-19 crisis
- Grants to support organisations supporting women who experience disproportionate challenge and difficulty as a result of the Covid-19 crisis
- Grants to support organisations which connect communities and support communities to work together to respond to Covid-19

Average grant size is up to £30,000 and the deadline for applications is 10 November 2020.

Community Business Renewal scheme – Power to Change

Power to Change has launched the Community Business Renewal Initiative, a package of support for community businesses, in response to the covid-19 crisis. The support package includes the £3 million Community Business Renewal Fund, providing unrestricted grants of between £10,000 and £20,000 (this Fund will have two further application rounds each open for 3 hours on the following dates: 12 January and 2 March 2021). They will also be opening two match-funding programmes to support community businesses with fundraising. The package includes tailored support for community businesses, to protect community-owned assets and increase community business leader's knowledge, assist with wellbeing and equip them with the skills to boost their business.

You can find more details on all elements of the Community Business Renewal scheme on the Power to Change website.

Surplus with Purpose Fund - FareShare

Businesses could be eligible for £50,000 funding to help them reduce their food waste.

The Surplus With Purpose fund is open to companies seeking to unlock new or hard to reach surplus (or 'waste') food, as well as those that haven't previously worked with FareShare.

Businesses could be eligible for up to £50,000 worth of funding (greater sums can be negotiated where appropriate for high volumes of surplus food).

FareShare will safely divert edible surplus food via their UK-wide network of almost 11,000 frontline charities and community groups.

More information for businesses interested is available on the scheme's website.

Increasing Access Fund – Peter Sowerby Foundation

The new Increasing Access Fund is targeted to support organisations to develop new services that respond to the Covid-19 situation, or to adapt existing services to meet local and national needs. The Fund is aimed specifically at ensuring or increasing access to key services and activities for beneficiaries who have struggled with access due to Covid-19. The Foundation will also consider supporting programmes

which provide access for beneficiaries to new services which have been developed in response to a clear Covid-19 need.

The value of the Fund is £1.4million for organisations nationally working within the Fund's key domains:

- Healthcare Innovation – Organisations in the fields of disability, medical research, mental health and those supporting individuals with long-term health conditions.
- Community – Organisations working with young people, especially those considered disadvantaged, delivering support to those disproportionately affected by Covid-19 and/or those working to support isolated older people.
- Environment – Organisations working in the area of horticulture and conservation which have been significantly financially impacted by the closure of venues.
- Arts – Organisations working in the area of arts, health and well-being where services and programmes are being adapted to benefit communities impacted by Covid-19.

The deadline for applications is 16 November 2020.

Green Homes Grant Scheme – Department for Business, Energy & Industrial Strategy

The Green Homes Grant Scheme has now launched. The government will provide a voucher worth up to £5,000 or £10,000 to help cover the cost of making energy efficient improvements to your home. Improvements could include insulating your home to reduce your energy use or installing low-carbon heating to lower the amount of carbon dioxide your home produces.

You must redeem the voucher and ensure improvements are completed by 31 March 2021.

The government will provide a voucher that covers two-thirds of the cost of qualifying energy efficiency or low carbon heating improvements to your home. The maximum value of the voucher is £5,000.

If you are on a low income and receive certain benefits, you can receive a voucher covering all of the cost of the improvements. The maximum value of the voucher is £10,000.

To apply for the voucher, you must either:

- own your home (including park homeowners, long-leaseholders and shared ownership)
- be a private or social landlord

More than a Pub programme – Plunkett Foundation

The More than a Pub programme provides business development support to enable the community control of pubs in both rural and urban communities across England.

Funded by Power to Change and the Ministry of Housing, Communities and Local Government (MHCLG) and led by the Plunkett Foundation, the More than a Pub programme has taken over 800 enquiries and supported 58 pubs into community control. During the covid-19 lockdown the MTAP programme provided small grants to around half of the community pubs in England.

Combined finance packages of up to £100,000 are available (£50,000 loan and £50,000 grant) to help community groups secure control of their local pub.

Apprentice incentive payments – HM Government

When you hire new apprentices between 1 August 2020 and 31 January 2021, you can apply for extra funding to give your organisation a boost.

For apprentices aged:

- 16 to 24, you'll receive £2,000
- 25 and over, you'll receive £1,500

The payment is in addition to the existing £1,000 you'll already get for taking on an apprentice who is:

- aged 16 to 18 years old
- under 25 and has an education, health and care plan or has been in the care of their local authority

An incentive payment for hiring a new apprentice is different to the apprenticeship levy, and you can spend it on anything to support your organisation's costs. For example, you could spend it on facilities, uniforms, your apprentice's travel or their salary. You will not need to pay it back.

Force for Change Programme – Armed Forces Covenant Fund

Using feedback received, a new local grants programme has been designed awarding grants up to £20,000 to projects supporting Armed Forces communities to become less isolated and engage more in their local area.

The two rounds of funding this year will support local Armed Forces communities as they address the needs that have arisen as a result of Covid-19.

Applications must be able to show that the project fits under one of these two main themes:

- Empowering Armed Forces communities to become more engaged in their local area.
- Providing opportunities for isolated members of the Armed Forces community to take part in activities that improve general wellbeing.

The deadline for applications to round 2 is 30 November.

Transforming Places through Heritage Grants – Architectural Heritage Fund

This programme supports projects that will contribute to the transformation of high streets and town centres in England helping them become thriving places, strengthening local communities and encouraging local economies to prosper. It is part of a wider initiative to revive heritage high streets in England, alongside Historic England's High Street Heritage Action Zones. This programme is for individual heritage buildings in, or transferring to, community ownership. They will support charities and social enterprises to develop projects with the potential to bring new life to high streets by creating alternative uses for redundant or underused historic buildings in town centres.

A range of grants are available:

- Project Viability Grants: up to £15,000, for early viability and feasibility work, open now for applications.
- Project Development Grants: up to £100,000, for capital project development costs, open now for applications.
- Crowdfunding Challenge Grants: up to £25,000, to match fund crowdfunding campaigns, open now for applications.
- Community Shares Booster Grants: supporting community share offers with development grants and matched investment.

Funding during Covid-19 – The National Lottery Community Fund

The National Lottery Community Fund are currently prioritising funding projects and organisations supporting communities through the COVID-19 pandemic.

They are reviewing the situation on an on-going basis and will share any updates or developments on their website. The Fund has limited funding to support as many organisations as possible.

They have closed the Government allocation of funding to the Coronavirus Community Support Fund to new applications and should be finished distributing these funds by the end of October 2020. However, you can still apply for National Lottery funded grants to help your community through COVID-19.

In England, they are focusing on funding organisations supporting people and communities who experience disproportionate challenge and difficulty as a result of the COVID-19 crisis.

Crowdfunding support for clubs & organisations – Sport England

Sport England have committed another £1 million to combating the impact of coronavirus (Covid-19) on sports clubs and community activity groups, in the form of match funding through Crowdfunder.

This 'Active Together' partnership with Crowdfunder follows a successful collaboration from November 2018, which saw them committing to match fund 23 projects up to the value of £15,000 each.

This time they are matching crowd funds of up to £10,000 raised by clubs and organisations hit by the coronavirus crisis – and is in addition to the up to £210 million coronavirus support package already announced.

To be eligible, organisations must be:

- Local sports clubs
- Charity, community, voluntary and social enterprise sector organisations that deliver sport and/or physical activity in their community – including organisations that are not solely or primarily sports organisations – for the benefit of people residing in England.

Neighbourhood Planning Grant Funding – Locality

You can apply for three types of grant funding if you are preparing a Neighbourhood Plan:

- **Basic Grant Funding:** All groups undertaking a neighbourhood plan are eligible to apply for up to £10,000 in basic grant. As well as applying for a basic grant, you can also apply for technical support (provided you meet the eligibility criteria) to help you with your neighbourhood plan.
- **Additional Grant Funding:** Groups meeting the eligibility criteria are able to apply for additional grant of up to £8,000 (in addition to the basic grant). This will take the total amount of grant available to you to £18,000.
- **Affordable Housing for Sale Grant Funding:** This is a new element to the programme, and it is running as a pilot scheme. The pilot began in 2019-20 and will continue in 2020-21. If you are wishing to bring forward affordable housing for sale you may be eligible for further grant funding of up to £10,000 to help develop these ideas.

All grants are now open.

Development Grants & Impact Grants – Youth Futures Foundation

The Youth Futures Foundation is committed to transforming employment for young people. They recognise that achieving this systemic change will be a team effort involving a broad range of employers, government, funders and organisations working with young people. Their activities and grant giving are designed to reflect this. In response to Covid-19 they have acted swiftly to develop an emergency funding response:

1. They have significantly increased funding available for development and impact grants to rapidly increase youth employment provision
2. They are launching an emergency levelling up youth fund to support young people from the hardest hit communities

Their rolling grants programme is designed to find, fund, support and evaluate promising practice. Funding will go to organisations working with young people aged 14-24 to help overcome barriers to finding meaningful work. They are looking for approaches that can be tested, evaluated and, where proven to be effective, expanded to more young people.

The Foundation want to partner with organisations that share their values and are committed to learning, investing in good practice and sharing what works to transform the youth employment landscape.

Two types of grant are available:

- **Development Grants** of between £30,000 and £150,000 per annum over 1-2 years.
- **Impact Grants** of between £100,000 and £1.2 million per annum over 1-5 years.

Places to Ride – British Cycling

British Cycling is working closely with Sport England to develop a national network of new cycling facilities which meets local demand, making use of a £15 million investment programme called Places to Ride.

The funding is available to any organisation that is developing cycling activity in their community and can be used for anything from equipment packages to activate your local space, through to a brand-new cycling facility. The programme is open until January 2021.

Large scale grants (£50,000 - £500,000) are available, typically for new facilities or significant improvements to existing venues, small scale grants (£1000 to £50,000) for equipment, cycle storage, small-scale facilities or venue improvements. Equipment packages are also available to activate your local space.

Cornerstone, Gateway & Foundation Grants – National Churches Trust

The National Churches Trust has three grant programmes currently open:

- Cornerstone grants. The Cornerstone Grant Programme offers grants of between £10,000 and £50,000 towards the cost of urgent structural repair projects costed at more than £100,000 including VAT. The Trust will also consider projects that introduce kitchens and accessible toilets to enable increased community use, costed at more than £30,000 including VAT. Grants will never exceed 50% of the project cost. The next deadline for applications is 1 March 2021.
- Gateway grants. The Gateway Grant Programme offers grants of between £3,000 and £10,000 towards project development and investigative work up to RIBA planning stage 1, to support churches preparing for a major project, and in developing their project to the point at which they can approach a major grant funder. Grants will never exceed 50% of the project costs for this phase. The next deadline for applications is 21 January 2021.
- Foundation grants. The Foundation Grant Programme will offer grants of between £500 and £5,000 towards urgent maintenance works and small repairs identified as high priority within a recent Quinquennial Inspection or Survey Report. Also, small investigative works and surveys. Project costs should not exceed £10,000. The final decision round for 2020 has now passed. Applications can still be submitted but decisions will not be made before the start of 2021, when they will recommence on a rolling basis. Further dates to be announced soon.
- Preventative maintenance micro grants. If the cost of booking maintenance services is a problem, the National Churches Trust, with its partner the Pilgrim Trust, can offer grants towards the cost of a building's maintenance services.

You could receive up to 50% of the cost of works (excl. VAT) up to a maximum grant of £500. The cost of your service must not exceed £1,000 (excl VAT).

Energy Redress Scheme – Energy Saving Trust

Energy Saving Trust has been appointed by Ofgem to distribute payments from energy companies who may have breached rules. The funds can pay for anything from making a home more energy efficient, to providing advice that helps consumers keep on top of their bills.

Energy Saving Trust has developed an open application process for charities seeking funding from the Energy Redress Scheme. Successful projects will be selected with input from an independent panel of experts and could cover a range of locations across England, Scotland and Wales.

The amount of funding available through the scheme varies throughout the year and will be reviewed on a quarterly basis in October, January, April and July. Eligible charities that have registered interest in the scheme will be notified when funds become available.

The minimum grant that can be requested is £20,000 and the maximum amount is the lesser of £2 million or the total value of the current fund.

The scheme can fund projects lasting up to two years, can fund 100 per cent of the project cost and can cover revenue and capital measures.

<https://energyredress.org.uk/apply-funding>

Comic Relief Community Fund (England) – Groundwork UK

The Comic Relief Community Fund (England) is offering grants to grassroots community organisations with an income of less than £250,000.

There are two types of grants available to organisations whose work delivers on one of Comic Relief's four strategic themes:

- *Children Survive & Thrive*: projects that support children under the age of 11 to reach their potential and have the best start in life.
- *Fighting for Gender Justice*: projects that improve equality for women, girls and the LGBTQI+ community and initiatives that help people affected by domestic violence, abuse or exploitation due to their gender.
- *A Safe Place to Be*: projects that support people who are rebuilding their lives because of homelessness or forced migration.
- *Mental Health Matters*: projects that support good mental health in communities, improve access to support and tackle stigma and discrimination.

Funding is available to help you develop your organisation through a Capacity Building Grant (up to £1000), to deliver projects through a Project Delivery Grant (up to £4000) or through a Covid-19 Community Grant (up to £4000).

Administration of the local funding is being managed by community charity, Groundwork, which specialises in transforming communities and the local environment for the better.

Veterans' Foundation grants

Many armed forces charities struggle to raise sufficient funding to support serving and former members of the British Armed Forces' and sometimes their dependants who are in need. The Veterans' Foundation has been created to establish a new and nationwide source of funding to help these charities. It acquires its funds through the Veterans' Lottery and donations.

The trustees of the Veterans' Foundation will disburse funds to Armed Forces charities and charitable activities.

They will support projects that:

- Reduce homelessness
- Increase employment
- Provide welfare and medical support
- Increase confidence and social integration
- Reduce dependence on drugs and alcohol
- Support other charitable activities that may be needed

You can apply for grants of any sum up to a maximum of £30K. Trustees will also consider a bid for a spread grant, i.e. £30K as £10K for each of the next three years. Please note that the trustees are likely to award more small grants than large grants. They will consider a range of factors including the service or item being applied for, the number of beneficiaries, the importance of the grant to the applicant charity and the needs of the beneficiaries.

Church Conservation Grants – Morris Fund

Grants between £500 and £5000 are awarded to churches, chapels and other places of worship in the United Kingdom for the conservation of decorative features and monuments, but not for structural repairs.

Grants will be awarded to support smaller programmes of work concerned with the conservation of decorative or non-structural features such as:

- stained glass windows
- sculpture
- furniture
- internal monuments and tombs
- wall paintings

The decorative feature, monument, etc must date from no later than 1896 (the year of William Morris's death). The next deadline for applications is 31 March 2021.

War Memorials Trust grants support repair and conservation works undertaken following best conservation practice. Almost all war memorials are eligible for support and custodians/owners can find information about eligibility and processes on the website.

Grants are available between 25% and 75% of eligible costs and are likely to be considered up to a maximum grant of £5,000 for non-freestanding war memorials while freestanding, non-beneficiary war memorials may be considered up to a maximum grant of £30,000. There is no minimum award.

War Memorials Trust seeks to help all war memorial custodians, whatever the nature and size of their war memorial by facilitating repair and conservation projects. Details on current eligibility and deadline dates as well as how to apply can be found at the web address below.

Football Foundation grants

The Football Foundation provides grants for building or refurbishing grassroots facilities, such as changing rooms, 3G pitches, fencing, portable floodlights, pitch improvements and clubhouse refurbishment. The Fund is available to football clubs, schools, councils and local sports associations and gives grants for projects that:

- Improve facilities for football and other sport in local communities.
- Sustain or increase participation amongst children and adults, regardless of background age, or ability.
- Help children and adults to develop their physical, mental, social and moral capacities through regular participation in sport.

Grants are available for between £10,000 and £500,000.
