

Postponement of the 24/02/2020 West Midlands Regional Seminar at Stafford Borough Council

Taking into account the current weather & flooding situation across the country we have decided to postpone the West Midlands Regional Seminar which was supposed to take place this upcoming Monday, 24th of February 2020 at Stafford Borough Council.

It was a difficult call and we have been reluctant to make this decision but further burst of heavy rain are forecast between now and next Monday which could make travel quite difficult for attendees – especially those from outside the immediate Stafford area. We are also conscious of the fact that many Councillors and Officers will be helping their communities deal with the aftermath of the flooding and need to remain in their local area.

We will be in touch about a new date as soon as possible.

We at Rural Services Network sincerely apologise for any inconvenience this decision may cause.

Kind regards,

Graham
