Ideas and innovations for levelling up in rural places

Cirican, the rural research by rural communities company and the Open University are pleased to present our ideas and innovation for levelling up in rural places webinar series.

Working with our partners we are showcasing and sharing the learning of what works in tackling health inequalities, digital transformation and the role of social enterprise in rural communities.

18 MAY

Social Enterprise

15 JUN

Tackling health inequalities

13 JUL

Digital Futures – IT and Connectivity

MORE ABOUT THE SEMINAR SERIES:

WHAT TO EXPECT ON THE DAY

- Welcome from hosts
- Hear from our three key speakers
- Facilitated group discussion
- Identification of the key themes

Why these seminars?

Sustainable rural communities are enterprising, well connected and healthy. Our first three seminars showcase great practice in these areas and our commitment to it.

Who is Cirican?

We are a new organisation established by 18 members of Action with Communities in Rural England (ACRE) to provide research and consultancy services in the areas and places we know well.

Why Cirican?

Our mission is to deliver collaborative, co-produced, and community-embedded consultancy work. As a network of rural based experts, our connections and experience offer a unique and unrivalled research and consultancy service.

You can contact us by email at info@cirican.co.uk

To arrange to talk to us about our work and how we can help you, call us on 07910 062429
