town or parish
compare?

RURAL
SERVICES
NETWORK

HOW TO USE THE AREA PROFILES

Click on the link [here](#) to download the latest RMTG area profiles, including key statistics for your parish.

Once the file has downloaded, open the excel spreadsheet 'parish-census-2021.xlsx' from your downloads.

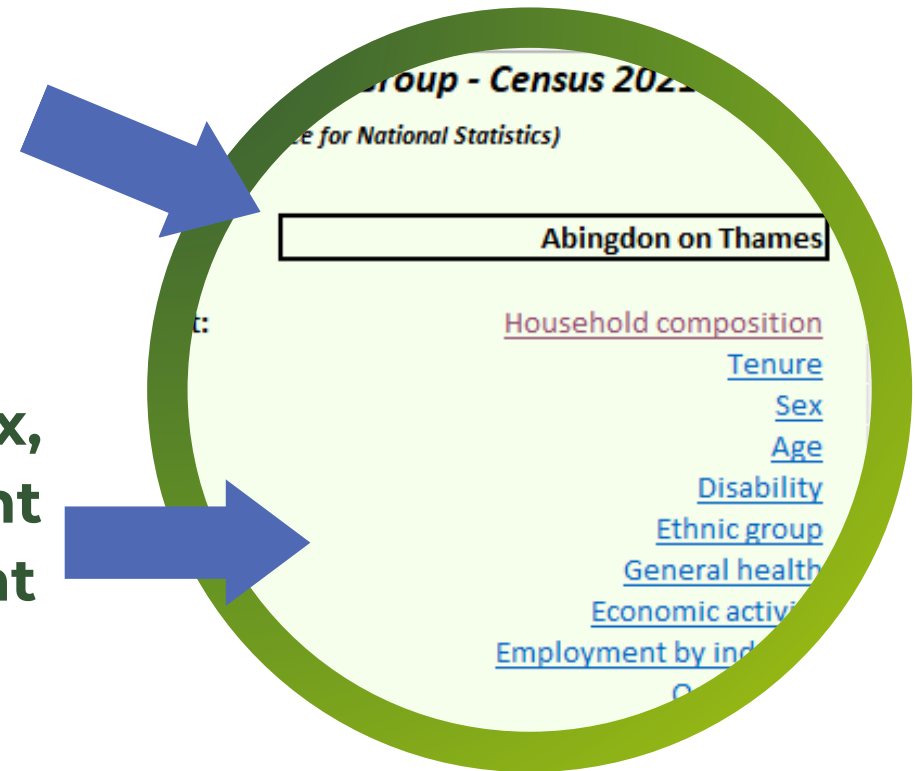

The spreadsheet may open in Protected View. You will need to 'Enable Editing' and then 'Enable Content' (at the top of the page) in order to make use of the spreadsheet.

HOW TO USE THE AREA PROFILES

FRONT PAGE

1. Select your parish from the dropdown menu.
2. Choose the dataset you wish to view (eg household composition, sex, age) by clicking the links on the front page, or scrolling through the tabs at the bottom of the spreadsheet.

HOW TO USE THE AREA PROFILES

DATA SETS

Each themed dataset includes:

- Key statistics for your individual parish (2021 census).
- Breakdown of the figures by percentage.
- Average figures and % breakdown for the RMTG membership as a whole, for comparison.

To return to the front sheet at anytime, select:
