ABOUT THE RURAL VILLAGE SERVICES GROUP

The Rural Services Network is the national champion for rural services, we represent over 500 organisations delivering services in rural areas.

The Rural Village Services Group (RVSG) is part of the Rural Services Network. It brings together rural parish councils to network, share best practice and contribute to national campaigning work.

**The RSN
provides a
strong
national
rural voice**

By joining the RVSG, you will become part of a nationwide organisation, representing Parish Councils, Local Authorities, and rural service providers all focused on rural issues and relevant policy solutions.

Stay Informed

You'll receive a specialised Rural Village Services Group newsletter six times a year, alongside our weekly Rural Bulletin, monthly Funding Digest, and Government Consultations publication.

These resources are tailored to keep you abreast of the latest rural news, funding opportunities, and key issues affecting rural parishes such as affordable housing and transport.

Share & Learn

Membership offers a platform to share best practices and learn from the collective wisdom of rural parishes nationwide.

Through our annual meeting, website, and newsletter, your experiences and success stories can inspire and guide others, fostering a community of shared learning and support.

Influence Change

RVSG membership empowers you to contribute to our national campaigns, ensuring the rural perspective is heard loud and clear.

Through annual polls and focused discussions, we delve into issues impacting both younger and older residents, advocating for policies that reflect the true needs of rural communities.

What do you get for your RVSG membership?
